my bare skin felt so good that I felt myself melting instinctively tilting my head to give him more My legs started to wobble slightly I couldn't believe what was happening I've always thought you were a gorgeous girl Mark whispered into my ear I've had my eye on you since the day you started here Really I said though I could barely get the word out his kisses on my neck were so distracting Mmmm hmmm he murmured so that his soft breath blew across my skin So has James My eyes had been halfway closed and I'd almost lost track of James but now he made sure I didn't forget him Stepping closer and taking one of my hands in his he lifted my head and looked at me with a desire I'd never seen in his eyes before As Mark's kisses moved along my bare shoulders James bent down and kissed me passionately on the mouth His lips were soft but strong instantly dissolving my initial hesitations and it didn't take long for me to open my mouth and return the kiss **Billionaires Prefer**
