The ^AOxford Handbook of the Global Stage Musical Robert Gordon, Olaf Jubin, 2023-11-14 In response to the rapid growth of musical theatre as a global phenomenon The Oxford Handbook of the Global Stage Musical offers new scholarly approaches to issues arising from these new international markets The thirty three essays highlight major aspects of the genre such as the dominance of Western colonialism in its early production and dissemination racism and sexism both in representation and in the industry itself as well as current conflicts between global and local interests in postmodern cultures Featuring contributors from seventeen countries the essays offer informed insider perspectives that reflect the diversity of the subject and offer in depth examinations of specific cultural and economic systems **Playbuilding as Arts-Based**

Research Joe Norris, Kevin Hobbs, Mirror Theatre, 2024-04-29 The new edition of Playbuilding as Arts Based Research details how playbuilding creating an original performative work with a group as a methodology has developed in qualitative research over the last 15 years The second edition substantially updates the award winning first edition by making connections to current research theories providing complete scripts with URL links to videos and including a new section with interviews with colleagues Chapter 1 provides an in depth discussion of the epistemological ontological axiological aesthetic and pedagogic stances that playbuilding takes applying them to research in general The value of a playful trusting atmosphere choices of style casting set and location in representing the data and pedagogical theories that guide participatory theatre are highlighted Chapter 2 discusses how Mirror Theatre generates data structures dramatic scenes and conducts live and virtual participatory workshops Chapter 3 is a thematized account of interviews with 23 colleagues who employ variations of playbuilding that show how playbuilding can be applied in a wide range of contemporary contexts and disciplines Chapters 4 through 9 describe six projects that address topics of drinking choices and mental health issues on campus person centred care homelessness the transition to university and co op placements They include both a theme and a style analyses and workshop ideas Chapter 10 new to this edition concludes with quantitative and qualitative data from audiences attesting to the efficacy of this approach This is a fascinating resource for qualitative researchers applied theatre practitioners drama teachers and those interested in social justice who will appreciate how the book adeptly blends theory and practice providing exemplars for their own projects Practice as Research in the Arts Robin Nelson, 2013-03-03 At the performance turn this book takes a fresh how to approach to Practice as Research arguing that old prejudices should be abandoned and a PaR methodology fully accepted in the academy Nelson and his contributors address the questions students professional practitioner researchers regulators and examiners have posed in this domain

Faces of Tradition in Chinese

Performing Arts Levi S. Gibbs, 2020-02-11 Faces of Tradition in Chinese Performing Arts examines the key role of the individual in the development of traditional Chinese performing arts such as music and dance These artists and their artistic works the faces of tradition come to represent and reconfigure broader fields of cultural production in China today The

contributors to this volume explore the ways in which performances and recordings including singing competitions textual anthologies ethnographic videos and CD albums serve as discursive spaces where individuals engage with and redefine larger traditions and themselves By focusing on the performance scholarship collection and teaching of instrumental music folksong and classical dance from a variety of disciplines these case studies highlight the importance of the individual in determining how traditions have been and are represented maintained and cultivated

Reclaiming and Redefining American Exhibitions of Russian Art Roann Barris, 2023-08-23 This book examines the history of American exhibitions of Russian art in the twentieth century in the context of the Cold War Because this history reflects changes in museological theory and the role of governments in facilitating or preventing intercultural cooperation it uncovers a story that is far more complex than a chronological listing of exhibition names and art works Roann Barris considers questions of stylistic appropriations and influences and the role of museum exhibitions in promoting international and artistic exchanges Barris reveals that Soviet and American exchanges in the world of art were extensive and persistent despite political disagreements before during and after the Cold War It also reveals that these early exhibitions communicated contradictory and historically invalid pictures of the Russian or Soviet avant garde The book will be of interest to scholars working in art history museum studies and Russian studies

Routledge Companion to Audiences and the Performing Arts Matthew Reason, Lynne Conner, Katya Johanson, Ben Walmsley, 2022-04-05 The Routledge Companion to Audiences and the Performing Arts represents a truly multi dimensional exploration of the inter relationships between audiences and performance This study considers audiences contextually and historically through both qualitative and quantitative empirical research and places them within appropriate philosophical and socio cultural discourses Ultimately the collection marks the point where audiences have become central and essential not just to the act of performance itself but also to theatre dance opera music and performance studies as academic disciplines This Companion will be of great interest to academics researchers and postgraduates as well as to theatre dance opera and music practitioners and performing arts organisations and stakeholders involved in educational activities

Theatre of the People Laurence Raw, 2015-10-29 Throughout World War II audiences in the United Kingdom craved entertainment even during the country's darkest days During this period actor manager Donald Wolfit and his theatre troupe toured Great Britain and Europe often at great risk After the war Wolfit broadened his tour bringing his brand of Shakespearean theatre to North American audiences Wolfit believed that theatre should be accessible to everyone regardless of their socioeconomic origins It was this quality above all that accounted for his huge popularity throughout the fifteen years of his operation In *Theatre of the People* Donald Wolfit's Shakespearean Productions 1937-1953 Laurence Raw looks at this tenacious personality whose determination to serve the nation by performing Shakespeare inspired audiences and fellow actors Drawing on a series of hitherto unpublished materials including letters and interviews this part biography and part social history creates a vivid picture of what life was like for the touring actor during

WWII and beyond Recreating twelve of Wolfitt's touring dates throughout Great Britain and North America this volume also demonstrates theatre's importance as a source of mass entertainment and education as well as a propaganda tool Despite Wolfitt's popular appeal at the time he was doomed to remain on the periphery of the theatrical establishment This book contends that Wolfitt deserves to be recognized for his efforts in maintaining public morale during times of stress Theatre of the People will appeal not only to those interested in drama but also to students and scholars of history and popular entertainment in the 1940s and 1950s The Routledge Companion to Drama in Education Mary McAvoy, Peter O'Connor, 2022-05-23 The Routledge Companion to Drama in Education is a comprehensive reference guide to this unique performance discipline focusing on its process oriented theatrical techniques engagement of a broad spectrum of learners its historical roots as a field of inquiry and its transdisciplinary pedagogical practices The book approaches drama in education DE from a wide range of perspectives from leading scholars to teaching artists and school educators who specialise in DE teaching It presents the central disciplinary conversations around key issues including best practice in DE aesthetics and artistry in teaching the histories of DE ideologies in drama and education and concerns around access inclusivity and justice Including reflections lesson plans programme designs case studies and provocations from scholars educators and community arts workers this is the most robust and comprehensive resource for those interested in DE's past present and future
