Gods Power in Action Book II is Phylliss second book of Christian plays and skits published It consists of six regular Christian plays and two Christmas plays as well as a pastor appreciation play Each story line is derived straight from the Word of God and given a visual learning content through Phylliss writings Once again the characters found on the front cover of this book consist of people in her church congregation as they were performing these plays The man holding the two little boys on the cover of this book is her son Michael and her two small grandsons Lucas and Nicholas **Leading Beyond the Walls**

**21293** Adam Hamilton,2002 Good pastoral leadership is not a by the numbers proposition It is a matter of heart and soul of devoting the whole self to the vision God gives for the congregation in which one serves Yet neither is it purely intuitive it requires hard careful thinking about the directions and details of the path down which God calls When Adam Hamilton became pastor of the United Methodist Church of the Resurrection its membership consisted of himself and his family Ten years later the church averages between five and six thousand worshipers per weekend Throughout this remarkable period Hamilton learned many serious lessons about both the broad visions and the specific details of pastoral leadership Bringing a depth of analytical skills often lacking in visionary leaders in this book he goes beyond simply telling the story of Church of the Resurrection He shares the questions that he learned to ask about the largely unchurched population to which Church of the Resurrection has reached out Further he demonstrates what he learned by listening to the answers to these questions and how doing so has made possible a number of strategically crucial decisions the church has made One of those crucial decisions was to make more traditional forms of worship and praise the center of the congregation s life The result is that the example of Church of the Resurrection offers pastors and church leaders especially those in mainline denominations the realization that they need not completely change their liturgical and theological identity in order to reach out to the unchurched Drawing on his own experience as well as the detailed research on the characteristics of highly successful congregations he undertook during a sabbatical leave Hamilton offers pastors and other church leaders solid substantive thinking on steps that congregations can take to become centers of vibrant outreach and mission **Christian Standard**

Saler,2019-11-01 Sabbaticals are becoming increasingly common practice in congregations and while there are many books on helping pastors prepare for their time away there are no texts that approach the experience with the congregation in mind from start to finish This guide for congregations and their pastors draws on nearly two decades of wisdom from the Lily Endowment Clergy Renewal Program and helps draw the conversation away from a pastor centric model and towards a holistic congregational framework for thinking about how the entire community can benefit from a pastor s sabbatical     Weary Throats and New Songs Teresa L. Fry Brown,2003 Teresa Frye Brown s music ministry forms a background for her application of music as a metaphor to the preaching moment In this book she interviews numerous preaching sistas and uses categories from her homiletics courses to structure the data that she found in the interviews The result is a helpful Black Women s Commentary on the homiletic process The first couple of chapters provide information on ordination and call that every male minister of the Gospel should keep in mind It is a review of the gender barrier to ordination Interestingly enough this aspect of the book also demonstrated the resolve of our sisters to find ways and means to preach the gospel irregardless of these barriers While we should never accept discrimination in any form I did find the list of venues for women s in ministry to be a very helpful way to see other possible ways to minister apart from the pulpit in the church that all ministers male and female should look at Our sisters have shown us the way to greater ministry After call and ordination Brown moves to a discussion of Biblical exegesis themes and structures for sermons by Black women I found that this section demonstrated that while some women have a tendency towards preaching actively for liberation of women most of the themes such as purpose hope and liberation of the poor holds much in common with the Black male preacher From Amazon com     The Congregationalist ,1917     **Baptist Commonwealth** ,1909
