Don't Stop Here! Chris Oyakhilome, 2004 Challenging to change Pieter J. Lalleman, 2020-09-18 On 13 May 2009 Dr Nigel G Wright celebrated his sixtieth birthday For this occasion friends and colleagues presented him with a Festschrift which reflects his career as a radical baptist leader and theologian Over the past decades he has played a leading role in the Baptist movement in Britain and worldwide The contributors to *Challenging to change* dialogues with a radical baptist theologian interact with aspects of Wright s activities and writings so far The spelling of baptist with a small b in the subtitle

of this book reflects Wright's own usage. Baptist refers to the broader tradition of believers' churches stemming from the radical wing of the European Reformation to which not only Baptist churches belong but also Anabaptist Brethren Pentecostals Restorationists and others. This book makes a valuable contribution to the thinking of all Baptists about issues such as ministry Church and state church planting and evangelical identity. In particular pastors other church leaders and students will profit hugely from it and they will be encouraged to pick up Nigel Wright's own books. **Understanding**

God's Will Kyle Lake, 2004-09 Everyone struggles with questions like How can I know if I'm pursuing God's will or my own? In this book pastor Kyle Lake suggests that God's will for a person's life isn't as formulaic as it's often made out to be. This book alleviates ambiguities about God's desires for our lives. Through the use of scriptural metaphors such as discipleship kingdom and fatherhood this message empowers people to make wise decisions with the guidance of a God who is not a genie an insurance policy nor a dominator. *The Brain Builder* Sue Hanson, 2017-09-07 Chris Carson was a rebellious teen

who faced a choice either join the army or spend time in jail. He chose the army and was sent to Viet Nam. Later his company was caught and faced a firing squad. They were all killed of course and only Chris woke up weeks later rolling off a bed in New York having been shot in the forehead in the back and with three fingers missing. In the meantime he had met Jesus who sent him back with a mission. From then on Chris was able to invent amazing technology while still being subject to all the trials and frustrations everyone faces. This story is based on a real man's life at least part one of it. Then it goes on to speculate what might happen to Chris and to the world with his artificial intelligence creation Perceptor. This is a Christian action adventure story that includes intrigue and evil along with a love story or two as we look into the possible future in the last days. **How to Identify Witchcraft Spirit** Prophet Ade Osijo, 2012-04-23 There are so many instances in the Holy Bible indicating where and those who sold their souls to wicked acts synonymous with witchcraft. However the author's purpose is not to terrorize the uninitiated. Rather it is aimed at drawing Christians closer to Jesus Christ the light and savior of the world. **Cemetery Girl** David Bell, 2018-02-06 A missing child is every parent's nightmare. What comes next is even worse in this riveting thriller from the bestselling and award winning author of Bring Her Home. Tom and Abby Stuart had everything a perfect marriage successful careers and a beautiful twelve year old daughter Caitlin. Then one day Caitlin vanished without a trace. For a while they grasped at every false hope and followed every empty lead but the tragedy ended up changing their lives overwhelming them with guilt and dread and shattering their marriage. Four years later Caitlin is found alive but won't discuss where she was or what happened. And when the police arrest a suspect connected to her disappearance she refuses to testify. Taking matters into his own hands Tom tries to uncover the truth and finds that nothing that has happened yet can prepare him for what he is about to discover. **How Anyone Can Understand the Bible** Ron Searcy, 2005-09 Most people have a Bible in their home however most don't read or study it. Why? Because it is so complicated to most people. This book removes the confusion puts things in simple easy to understand language for the average person.
