Evans,2002 This commentary edited by Catherine Clark Kroeger and Mary Evans is an attempt to answer the question What happens when we look at Scripture through women s eyes New and helpful insights from an international team of scholars show how Scripture is relevant to women and men alike making it a wonderful complement to other commentaries **The Jewish Advocate** ,1880 *Untie the Cords of Silence* Michael Huffman,2022-01-03 Christians often feel they are faced with a choice Either I compromise my commitment to biblical authority or I embrace male authority over women as the Bible teaches Such a dilemma tends to prod Christians often reluctantly down one of two paths One path involves relegating the Bible s teaching to an antiquated past Certain passages are labeled artifacts of a patriarchal culture and deemed irrelevant for today The other path involves a doubling down in which Christians commit themselves to the Bible s perceived teaching about male authority and thereby set themselves over against a full commitment to equality *Untie the Cords of Silence* shows through careful readings of relevant biblical passages that Christians need not go down either of

these paths It is possible to hold to both biblical authority and the full equality of men and women In fact doing so is the most logically coherent way of applying the Bible s message to the Christian life This book does not merely provide a way to tolerate the problem texts Instead it restores these texts to their rightful place as coherent integrated parts of the Bible s message of salvation and freedom in Christ     [The Bookseller](#) ,1888     **Marriages Designed In Heaven** Gaylon West,2015-01-18 The subject of marriage is a timely subject The Bible simply defines marriage as a man takes a woman Happiness and well being in marriage is based on a specific design This design along with society s mores civil government expectations and ecclesiastical laws and fantasies are addressed Jesus message is compared and or contrasted with Moses the Prophets the Pharisees the Apostles and Medieval church leaders Over 40 translations of the Bible were consulted in addition to comparing the ancient Hebrew with its Greek equivalents through interlinears word studies lexicons dictionaries textual variants and scholastic articles and comments The appendix gives the history of Christendom s changing positions on marriage divorce and remarriage     **Classic Biblical Baby Names** Judith Tropea,2006-08-29 The perfect name is one of the first and most important gifts parents can give their children and often one of the most challenging decisions of parenthood Expectant parents who want their child s name to be meaningful will find Classic Biblical Baby Names a unique and invaluable resource Drawing from both the Old and New Testaments here are hundreds of history s most enduring names carefully selected to appeal to contemporary tastes yet outlast trends Organized alphabetically by gender and complete with fascinating background information each entry includes Scriptural stories surrounding the name Meaning and spiritual connotation Citation of where the name appears in the Bible Proper pronunciation Cultural origin Alternate spellings related names nicknames Famous namesakes From Adam to Zeph and Abigail to Zia Classic Biblical Baby Names will enrich your understanding of familiar names and invite you to discover lesser known possibilities Names are an integral part of our identity and this one of a kind guide will help you choose a name that reflects your hopes for the future and instills a sense of self in your child     *NKJV, The Modern Life Study Bible* Thomas Nelson,2014-01-28 As members of the modern age we sometimes feel disconnected from the world of the Bible But if we look closely we can see that although cultures change our basic challenges stay the same We still struggle with issues like community justice economic stress political tensions and cultural and ethnic differences We still wonder who God is how to discern His will and how we fit into His plan Using historical context and fresh insights backed by biblical scholars The Modern Life Study Bible explores the timeless truths that connect the people and stories of the Bible to the opportunities and demands we face today God is at work in our world inviting us to experience His presence With innovative full color illustrations maps and diagrams along with special information on occupations of the Bible profiles of people and places theme indexes and inspirational biographies of believers who put their faith to work The Modern Life Study Bible will draw you in helping you to know and embrace what it means to follow Christ in today s world Features include More than 2 400 concise articles and book
