- Crayons
- Felt
- Glue

### Teacher Preparation:

Pre-cut a piece of cardstock into a body shape and pre-cut two felt robe shapes. You will need 1 body and 2 robes per student.

### Instructions:

**Step 1.** Give kids a cardstock body and one robe. Instruct them to decorate one side to show the kind of person Paul was before he met Jesus. Dušková, 2022-10-03 The night represents almost universally a special liminal or out of the ordinary temporal zone with its own meanings possibilities and dangers and political cultural religious and social implications Only in the modern era was the night systematically colonised and nocturnal activity normalised in terms of industrial labour and production processes

Although the globalised 24 7 economy is usually seen as the outcome of capitalist modernisation development and expansion starting in the late nineteenth century other consecutive and more recent political and economic systems adopted perpetual production systems as well extending work into the night and forcing workers to work the night shift normalising it as part of an alternative non capitalist modernity This volume draws attention to the extended work hours and night shift work which have remained underexplored in the history of labour and the social science literature By describing and comparing various political and economic regimes it argues that from the viewpoint of global labour history night labour and the spread of 24 7 production and services should not be seen only and exclusively as an epiphenomenon of capitalist production but rather as one of the outcomes of industrial modernity      *Route 66: A Trip through the 66 Books of the Bible, Grades 2 - 5*
