Capitalism vs. Freedom Rob Larson, 2018-06-29 For years we ve been taught that capitalism is good for freedom Dominant right wing talk radio hosts to this day recommend libertarian classics like Hayek s Road to Serfdom and Friedman s Capitalism and Freedom that claim markets free us and this picture still dominates the schools and the political spectrum Well get bent one percent because Rob Larson s Capitalism vs Freedom The Toll Road to Serfdom puts big business under a microscope This book debunks the conservative classics while demonstrating that the marketplace has its own great centers of power which the libertarian tradition itself claims is a limit to freedom In fact Larson illustrates how capitalism fails both this and other concepts of human liberty not just failing to establish a right to a share of society s production but also leaving us subject to the great power plays of the one percent s corporate property

Mother of Invention Robert I. Field, 2014 Underlying America s robust private health care industry is an indispensable partner that has guided and supported it for over half a century the government This book demonstrates how government initiatives created American health care as we know it today and places the Obama plan in its true historical and political context

Microeconomics Paul Krugman, Robin Wells, 2012-04-20 Each year more and more students are being introduced to the fundamental principles of microeconomics via Paul Krugman s trusted voice and signature storytelling style This third edition of Krugman and Wells Microeconomics is their most accomplished yet extensively updated with new examples new case studies and new coverage

America's Free Market Myths Joseph Shaanan, 2017-05-26 This book describes and refutes thirteen ideas involving

free market principles and the US economic system arguing that these mostly familiar ideas are myths The myths are deeply ingrained in the United States self image and in political discourse and are hailed as indisputable scientifically grounded truths Unfortunately an economy dominated by giant corporations bears little resemblance to a free market So why is so much effort and expense devoted to disseminating these stories The answer is simple The different myths generate the recommendation that the system s rewards should flow upward to corporations and a small group of wealthy and politically influential people The myths help entrench existing economic and political power while distancing America from a more productive and widely beneficial form of capitalism

Between Command and Market Elisa Levi Sabattini,Christian Schwermann,2021-12-20 A deeply researched and thought provoking set of essays on a sorely neglected topic in Chinese economic intellectual and political history

Microeconomics Paul Krugman,Robin Wells,2009 The second edition of this popular text has been extensively revised and updated to provide students with a comprehensive overview of Microeconomics Internationally renowned author Paul Krugman and experienced Microeconomics Lecturer Robin Wells use real world examples to explain economic ideas making them easy to understand
