able to manipulate time Her evil brother shares the power and while Dweia has been teaching Althalus the secrets of The Book the ancient God has been using the dark magic of his own Book to rewrite history Yet all is not lost But only if Althalus still a thief at heart can bring together a ragtag group of men women and children with no reason to trust him or each other Praise for The Redemption of Althalus Highly recommended Featuring a cast of engaging characters some fanciful plot twists and a light hearted atmosphere that should appeal strongly to fans and first time readers alike Library Journal The story takes off The interactions between characters straightforward plotting and doses of wry humor keep the tale humming Booklist An engaging young reprobate hero A magical realm of good natured fun Publishers Weekly A compelling involving story Science Fiction Chronicle
