Use Rating Factors to Your Advantage

Be Timely

Enroll in autopay through your bank so you have full control over payment scheduling.

Pay multiple times a month before statement closing date!

Be Dedicated

Pay down the highest interest rates first, and only use credit when absolutely necessary.

Look for low interest rates or cash back offers!

Be Smart

Use credit for larger, urgent purchases you know you will be able to pay off in a reasonable amount of time.

Keep balances under 30% of credit limits!

Be Loyal

Keep older accounts open. Transfer higher interest balances to older accounts with lower interest rates.

Request a credit limit increase- but don't use it all!

Be Picky

Be selective when applying... Major issuers and credit union rates often trump retail and bank rates.

Avoid applying for credit when you don't really need it!
