Kimmel, Jerry J. Weygandt, Donald E. Kieso, 2010-10-25 This successful book continues to provide accountants with an understanding of the fundamental concepts necessary to use accounting effectively The sixth edition offers new discussions on IFRS including new codification numbers examples of IFRS financial statements and additional exercises A look at more recent frauds such as the Bernie Madoff scandal have been added Enhanced discussions of ethics and international accounting are presented The coverage of non cash items and their impact on decision making has been

expanded In addition comprehensive case studies and problems help accountants tie the material together Accounting
Paul D. Kimmel, Jerry J. Weygandt, Donald E. Kieso, 2010-12-01 With this fourth edition accountants will acquire a practical set
of tools and the confidence they need to use them effectively in making business decisions It better reflects a more
conceptual and decision making approach to the material The authors follow a macro to micro strategy by starting with a
discussion of real financial statements first rather than starting with the Accounting Cycle The objective is to establish how a
financial statement communicates the financing investing and operating activities of a business to users of accounting
information This motivates accountants by grounding the discussion in the real world showing them the relevance of the
topics covered to their careers **QuickBooks 2012 For Dummies, UK Edition** Stephen L. Nelson, Loredana
