Children Meet God Nan Smith Adams, 2010-07 Nan Smith Adams shares more than two decades of experience as a Sunday School teacher. She attended classes at Trinity College and supervised the preschool program for Christ Community Church in Tampa, Florida. She led discussion groups and children's groups in Bible Study Fellowship for twenty-five years. These three books encompass the Old and New Testament, telling the story of Jesus from creation and the history of Israel through Jesus' birth, ministry, resurrection, and return.

Children Together Kathryn Goering Reid, Ken Hawkey, 2010-01-01 Education within the Church and within the family is the only way to change old patterns and smash cultural stereotypes. Reid and Hawkey reexamine God's message of love for all people through the lens of Scripture. *Children Together* will help the church teach children about inequality and discrimination and help children learn to value themselves and others for who they are. Each age-appropriate lesson covers topics such as learning to work together, exploring individual potential, media and stereotypes, and sexual harassment. This resource will be a welcome addition to parents, pastors, as teachers, Christian educators, and those who do ministry with children.

More Toddlerific! David C. Cook Publishing Company, 2008 *More Toddlerific* features 12 themed lessons for toddlers and two-year-olds. Each session offers a fun activity that supports a truth from God's Word, introduces a verse, or shares a Bible story. Reproducible pages make preparation as easy as 1, 2, 3. And through positive play and hands-on activities, little ones experience the simple message that God is love.

Woman, You Are Highly Favoured by God Esther S. Ripiyé, 2012-08-08 Religious belief has over the years had a great influence on the status and history of women, especially in the ministry. From the earliest days of the New Testament Church and up till present, most Christians have misinterpreted the scriptures on the basis of 1 Timothy 2:11-12, which says, "Let a woman learn in silence with all submissiveness. I permit no woman to teach or to have authority over men; she is to keep silent." This passage has been used by many churches to place certain restrictions on the ministry of women. This has given rise to many debates in the church and restricted many women from fulfilling their leadership call. It is therefore important to dispel the myths about the role of women and open our eyes to what the Bible really says concerning this. This is not about having dominance, but every Christian needs to flow in the Holy Spirit to enable their gifts and calling to bring the kingdom of God to earth. This book contains the study of Seventy-Two Women of the Bible. It gives us the details of their lives, roles, character, and influence. It also shows how God used them in the past and still uses us as women to advance His kingdom on earth. The knowledge of the scripture is imperative. The book also shows how to build confidence in the word of God, releasing ourselves for the Holy Spirit to flow through us so that the knowledge of the scriptures can operate in our purpose, gifts, talents, and calling in Christ. The author's writing is well documented based on revelation of the word, her leadership role over the years, and from her studies of the role of women in the Bible that have spanned for over 3 decades. The book brings honest and scriptural truth on crucial questions regarding leadership and teaching role of women in the church. It shows how Jesus related and affirms the role of women in the kingdom. This book is highly recommended for all.
