Children all over the world enjoy playing games together. A popular children's game in Mexico is The Blind Hen.

Playing this game is lots of fun. You start by choosing one child to be the hen and covering their eyes so that they can't see. Turning the child around and around makes the game more difficult.

It's time for the hen to start finding and tagging the other children.

The other children enjoy running around and calling the hen. Saying things like "Come and get me!" or "I'm over here!" makes the game more exciting. After tagging all the children, the hen can have a rest and another child can try being the blind hen.
