Albert John Walford,1995 **Rehearsing for Life** Monica Mottin,2018-03-09 This work presents an account of what it means to perform theatre and live by theatre grounded in ethnographic research **Luzac's Oriental List and Book Review** ,1907 *Conflict, Education and People's War in Nepal* Sanjeev Rai,2018-02-19 This book presents an overview of the democracy movement and the history of education in Nepal It shows how schools became the battleground for the state and the Maoists as well as captures emerging trends in the field challenges for the state and negotiations with political commitments It looks at the factors that contributed to the conflict and studies the politics of the region alongside gender and identity dynamics One of the first studies on the subject the book highlights how conflict and education are intrinsically linked in Nepal It illustrates how schools became the centre of attention between warring groups and how they were used for political meetings and recruitment of fighters during the political transitions in a contested terrain in South Asia It brings to the fore incidents of abduction and killing of teachers and students and the use of children as porters for arms and ammunitions Drawing extensively on both primary and secondary sources and qualitative analyses the book provides the key to a complex web of relationships among the stakeholders during conflict and also models of education in post conflict situations This book will interest scholars and researchers in education politics peace and conflict studies sociology development studies social work strategic and security studies contemporary history international relations and Nepal and South Asian studies Government Gazette ,1907 But Does This Work With English Learners? Mary Amanda Stewart,Holly Genova,2020-05-27 Secondary ELA teachers be excited here at last is that crash course in utilizing the best of what we already know about teaching reading writing and language to ensure our English learners thrive Take Penny Kittle and Donalyn Miller s reader s workshops Take Kylene Beers and Robert Probst s signposts Take the best writing techniques advanced by the National Writing Project Take Jim Burke s essential questions for life Award winning EL authorities Mandy Stewart and Holly Genova describe immediate adaptations you can put in place to simultaneously build your ELs language and literacy while affirming their languages cultures and unique lived experiences A rare blend of the humane and practical But Does This Work with English Learners is a book on how to leverage our ELs full linguistic repertoires in the ELA classroom while remaining sensitive to those barriers that could restrict learning With this

book as your guide you ll learn how to Look beyond the labels and better understand the diversity of ELs English language proficiency levels and sociopolitical influences Teach and assess through reader s workshop recognizing where comprehensible input fits in and adapting recurring features like support choice conferencing and academic conversations Teach and assess through writer s workshops including modifications to quick writes minilessons conferencing sharing and more Teach through structures and community with classroom schedules and behavior norms and activities like All About Me Paragraphs and Six Things You Need to Know About Me Listicles Embrace identity in inquiry cycles via research and family interviews mentor texts and essays pictorial autobiographies memory paragraphs and more Answer your own FAQs such as How do I teach students if I don t know their language What about grammar How do I teach the grade level ELA standards while I teach the language As you read this book Mandy and Holly write our hope is that you will begin to see your students as multilinguals people who already have language as well as a wealth of knowledge and are just adding English to that great repertoire If you have even a single English learner in your classroom we urge you to read this book and institute its practices Right away Mandy Stewart and Holly Genova have given us a primer for the evolving complexities of our classroom melting pots a map for navigating the murky waters of regulations and most importantly a recipe for opening our arms to children from all over the world They welcome them with thoughts like A foreign accent is a sign of bravery Gretchen Bernabei Coauthor of Fun Sized Academic Writing for Serious Learning After reading this book I was left with the feeling that I learned something new on every page something that I had previously either wondered about or struggled to understand Mandy Stewart and Holly Genova are the guides we all need to help us understand and better address the needs of our English learners Jim Burke Author of The English Teacher s Companion *Gender Trouble Makers* Jennifer Rothchild,2007-05-07 International development efforts aimed at improving girls lives and education have been well intended somewhat effective but ultimately short sighted and incomplete This is because international development efforts often operate under a reductive understanding of the term gender and how it influences the lives of girls and boys Gender is more commonly conceived by international efforts as characteristics which are ascribed to girls as norms for behaviour In particular the analysis in *Gender Trouble Makers* focuses on the social constructions of gender and the ways in which gender was reinforced and maintained through a case study in rural Nepal In developing countries like Nepal promoting access to and participation in existing formal education programme is clearly necessary but it is not in itself sufficient to transform gender power relations in the broader society When gender is properly addressed as a process then all stakeholders involved researchers governmental officials and community members can begin to understand and devise more effective ways to increase both girl and boy students enrollment participation and success in school **A Guide to Gender and Classifiers** Alexandra Y. Aikhenvald,2025-02-12 This book explores the range of noun categorization devices found in the languages of the world from the extensive systems of numeral classifiers in Southeast Asia to the highly grammaticalized gender

agreement classes in Indo European languages Almost all languages use some type of noun categorization device in their grammar with the most widespread being linguistic gender whereby nouns are classified based on core semantic properties such as sex animacy humanness or shape and size Numeral classifiers are also common and classify a noun in terms of its inherent nature animacy shape and form accompanied by a numeral or a quantifier Other types of noun categorization devices include noun classifiers possessive classifiers verbal classifiers and a number of rarer types such as locative and deictic classifiers In this volume Alexandra Aikhenvald investigates all facets of these nominal categorization systems from their form and distribution to their origins development and loss Noun categorization devices provide unique insights into how people categorize the world through the language in one language a human might be classified in terms of orientation hence as vertical in another as male or female and in another as simply animate or even rational They also change as society changes reflecting the ways in which language and social environment are integrated into a single whole
