The No-Nonsense Guide to World Population Vanessa Baird, 2011-08-16 No Nonsense Guide to World Population 1 2 page
With world population passing seven billion and predicted to hit nine billion by 2050 we are in the grip of a number panic
This book explodes some of the common myths looks at what the numbers really mean and addresses nine topics such as why
women in most parts of the world have fewer children what will happen to our societies as we all live longer and how having
babies relates to climate change Vanessa Baird is co editor at New Internationalist magazine Her previous books include *The*
No Nonsense Guide to Sexual Diversity and as compiler and editor *Eye to Eye Women* *The No-nonsense Guide to*
Globalization Wayne Ellwood, 2010 Globalisation has become one of the most used and encompassing words over the past
decade of undeniable influence in economics politics and activism Globalisation is literally all around every aspect of life is
affected by a global structure of communication and economy This fully revised and updated guide condenses this complex
subject into clear concise commentary It examines the debt trap the acceleration of neoliberalism competition for energy
resources the links between the war on terror the arms trade and the alternatives to corporate control **The**
No-Nonsense Guide to World History Chris Brazier, 2011-08-16 Most people s knowledge of world history is hazy and
incomplete at best This updated No Nonsense Guide gives a full picture revealing the hidden histories and communities left
out of conventional history books from the civilizations of Africa Asia and Latin America to the history of women The new
final chapter includes material on the financial crisis and the world response to climate change Chris Brazier is co editor at
New Internationalist His previous books include *Vietnam The Price of Peace* He is principal writer for UNICEF s *The State of*
the World s Children report *No-Nonsense Guide to International Development* Maggie Black, 2007 The No-nonsense
Guide to Indigenous Peoples Lotte Hughes, 2003 Indigenous peoples have long suffered from exoticization Outsiders elevate
their beauty remoteness and difference and do not see beyond this to the real problems they face The No Nonsense Guide to
Indigenous Peoples looks beyond the exotic images tracing the stories of different indigenous peoples from their first and
often fatal contact with explorers and colonizers Much of this history is told here by indigenous people themselves They
vividly describe why land and the natural world are so special to them how it feels to be snatched from your family as a child
because the government wants to make you white why they are demanding that museums must return the bones of their
ancestors how can they retain their traditional culture while moving with the times and what kinds of development are
positive This short guide discusses all this and more raising countless issues for debate The No-Nonsense Guide to World
Health Shereen Usdin, 2007 A history of modern healthcare shows that public health is largely determined by socio economic
factors **The No-nonsense Guide to Global Media** Peter Steven, 2003 The power and influence of the mass media grows
daily crucially affecting the way all of us see and understand each other The No Nonsense Guide to Global Media introduces
readers to the political economy of the major media film television radio recording publishing and the Internet Peter Steven

looks at the ever greater concentration of ownership and at the convergence of technologies and media functions At the same time he emphasizes the diversity of local media production and media around the world The media is more than the economics of ownership and the technology of production he stresses it is also audiences in all their annoying and wonderful diversity *The No-nonsense Guide to Global Terrorism* Jonathan Barker,2008 A highly accessible history of terrorism looking at core examples from the Middle East instances of state terrorism and terrorist fringes of political movements Covers the theories justifying and guiding terrorist acts and the battle of images that accompanies them including the proliferation of terrorist activities over recent years and international hotspots the war on terror terrorist acts carried out by states and the constraints on democracy and political and civil liberties that so often characterise the response to terrorism

The No-nonsense Guide to the United Nations Maggie Black,2008 Conveys the complexity of the UN assesses its record and considers options for reform The No-Nonsense Guide to Fair Trade David Ransom,2006-10-01 Meeting the people who grow our bananas and cocoa and make our clothes this No Nonsense Guide to Fair Trade tells the human story behind what we consume Examining the global contest between free and fair trade David Ransom argues that the key question is not whether trade should be regulated or deregulated but whether it is to be the master or servant of the people And as fair trade products are being turned into brands by large corporations a new contest opens it is no longer just a question of fair versus free but what kind of fair trade The No-nonsense Guide to Women's Rights Nikki van der Gaag,2004 How much has life really changed for women during the last decade Has the womens movement affected women all over the world Has it changed womens relationships with men Nikki van der Gaag answers these questions with hard sometimes disturbing evidence Many women have made huge leaps forward in legal rights political representation employment education health but beneath the surface the statistics are shocking Vivid testimonies from women and men around the world explain why especially in this post feminist age womens rights are still very much an issue for men and women alike She has made a special effort to correct many of the misconceptions and biases related to the feminist movement to link the liberation of women who constitute half of society to the liberation of men and to the dispossessed majority living on earth from the introduction by Nawal El Saadawi **The No-nonsense Guide to International Development** Maggie Black,2007 Building dams in India planting trees in Burkina Faso rescuing street children in Brazil these are images of aid and international development with which we can all identify However what passes for development all too often improves life for the better off while actively hurting the very people the venture was meant to support Maggie Black exposes the hypocrisy and reveals a more accurate picture of what is happening in development s name arguing for a process to be put in place that truly defends the interests of poor people **The No-Nonsense Guide to Sexual Diversity** Vanessa Baird,2007-10-01 The treatment of sexual minorities whether lesbian gay bisexual or transgender varies significantly in different parts of the world In some countries equal rights have been achieved and progress is being made against discrimination in others being gay still

incurs the death penalty This guide examines all the colors of the sexual rainbow unearths hidden histories and looks at contributions from medicine and science It also includes a unique global survey of laws that affect sexual minorities Vanessa Baird has been co editor at New Internationalist magazine since 1986 Her previous books include as compiler and editor *Eye to Eye Women* *The No-nonsense Guide to World Music* Louise Gray,2009 A look behind the catch all term world music aiming to explore the reasons for the contemporary interest in world music who its audience is and why it has become such a popular genre Through chapters on the many different genres that make up this multi faceted area the case for music as a powerful harmonising tool is aptly put forward **The No-Nonsense Guide to Science** Jerome Ravetz,2006-11-01 Science is the great intellectual adventure but can also be an instrument of profit power and privilege Wrongly used it might yet make the twenty first century our last To make sense of this we need to let go of old ideas and assumptions This No Nonsense Guide to Science introduces a new way of thinking about science moving away from ideas of perfect certainty and objectivity We must accept uncertainty and ignorance in the field as well as the need for citizens participation in the policies involving science *Taking Out the Trash* Jennifer Carless,1992-05-01 Taking Out the Trash is a practical and useful guide to how individuals businesses and communities can help alleviate America s garbage crisis **The No-nonsense Guide to Terrorism** Jonathan Barker,2003 Terrorist or freedom fighter Analyzing the causes and contexts of terrorism the world over Barker guides readers through the moral and political theories justifying and guiding terrorist acts *The No-nonsense Guide to Conflict and Peace* Peter Greener,2006 This invaluable guide is excellent for students peace groups and activists With tables maps case studies and quotes it looks at how conflict escalates and ways it can be prevented It examines the changing types of war including the War on Terror and ethnic conflict such as in Rwanda the role of diplomacy and the UN and what steps ordinary people are taking to re build communities It also offers ideas and inspiration for creating lasting peace **The No-nonsense Guide to Islam** Ziauddin Sardar,Merryl Wyn Davies,2007 A balanced portrayal of real Islam looking beyond the common perceptions and polemical debates It shows what Islam has achieved and shows why a better understanding of Muslims is needed throughout the world But it also explains why Islam needs to make itself more relevant by showing it can create a tolerant and peaceful society and explores the steps for reform A plain speaking independent view that informs current debates and puts modern developments into the context of the history of Islam and its people **The No-Nonsense Guide to Animal Rights** Catharine Grant,2006-11-01 Today animals need protecting more than ever those bred for laboratories zoos and hunting and also those reared intensively on farms And out in the wild animals are losing their habitats to environmental exploitation Dispelling the myth that the protection of animals rights is a modern Western concern this No Nonsense Guide to Animal Rights explains the key issues charts the growth of the animal rights movement and looks at the welfare and protection laws And it includes a practical day to day guide to what individuals can do to minimize exploitation
