environmentalism Elegantly written and meticulously researched *On a Farther Shore* reveals a shy yet passionate woman more at home in the natural world than in the literary one that embraced her William Souder also writes sensitively of Carson's romantic friendship with Dorothy Freeman and of Carson's death from cancer in 1964 This extraordinary new biography captures the essence of one of the great reformers of the twentieth century **The British National Bibliography** Arthur James Wells, 2009 **Oceanography** Tom Garrison, 1993 Written for an introduction to oceanography course this book covers the geological physical biological and ecological aspects *Essentials of Oceanography* Tom S.
