company resources but she can't afford to lose her job plus she's been fighting a completely inappropriate attraction to him since she started working at his company. But when word spreads about upcoming layoffs, Annie makes a desperate move: she confronts Mr. Ashfield about the cooked books, promising that she'll keep his secret if he'll let her keep her job. His own livelihood now at risk, Mr. Ashfield has no choice but to say yes. With tensions running high, Annie could almost swear that Mr. Ashfield wants her too, but she can't quite believe it until he snaps and loses control and they both lose themselves in desperate, lonely passion. But soon Annie uncovers the real reason why he fudged those numbers in the first place. Guilty and heartbroken, she returns to Mr. Ashfield for forgiveness, but is it too late for these broken souls to find their happily ever after?

Excerpt: And yet he said, meeting my eyes, it never occurred to you that you could leverage this thing into an arrangement that might meet some of your non-financial needs. My ears burned. He was toying with me. He had to be Mr. Ashfield, walking around the desk, resting his hand on the edge as he went, his fingers running lightly along the polished wood. He stopped inches from me, reaching up to my face and brushing my hair behind my ear with the same gentle touch. I shivered. Mr. Ashfield, I whispered. I don't. What he smiled. You don't. What? You don't think of me that way? That's a lie, Annie. Do you want to add that to your considerable list of sins? You're not my priest. I said I could be, he said, leaning in close. If you like, I cleared my throat. This doesn't change anything, you know. I know, he said. But as long as you've already, you've already sent the protocol for boss-employee relationships straight to hell in a handbasket, we might as well stop dancing around this thing. He was a master manipulator, telling me exactly what I wanted to hear. How he'd yearned for me quietly, just like I'd yearned for him. Complete and utter bullshit. But I didn't even care. His mouth was very close to my ear now. What can I do to convince you to drop this right here and now? I shook my head. The heat from his body was intoxicating, and when he slipped his arm around my waist and pulled me against him, my knees almost buckled. What he said: Nothing. There's nothing I can do.

What the Billionaire Wants (Boxed Set) (BDSM Erotica Romance) Alex Anders, 2014-01-16. WHAT THE BILLIONAIRE WANTS is the latest boxed set release from international bestselling author

Alex Anders and is for those who love short stories where innocent young women are swept away by powerful alpha male billionaires who demand submission and enjoy BDSM Includes The 1 EROTIC BESTSELLER in France 31000 words Please note that this story contains very explicit descriptions of erotic and sexual situations written for extreme genital arousal which will lead to self pleasure Mature readers only To Please The Billionaire Annie Hill was never appreciated by boys She was hard working self reliant and didn t need a man But lonely and venerable one night she is approached by Jarvis His wealthy employer wants to hire her as a dinner companion in exchange for a penthouse a salary and a 5 figure wardrobe stipend It s an opportunity Annie can t pass But when Annie s handsome powerful benefactor offers her everything she could ever desire in exchange for her acceptance of a mysteriously gift Annie finds herself in a secret world of unimaginable sexual pleasures that changes her life forever Serving the Billionaire Rachel s heart stopped when he entered the restaurant He was rugged and sexy His smile lit the room but the darkness in his eyes hinted to more Drawn her into his sports car he sped her away to a world of luxury and privilege leaving all of her troubles behind Rachel breathed in his passion like a drug To leave him was like death but to be with him was to dance with the demons As He Desires Rebecca Prichard wasn t looking for love She wasn t looking for a good time What she wanted more than anything was a job But nearly broken by her difficulties she made a deal with herself at her friend s wedding she would become someone else It was her uninhibited alter ego that first saw HIM His sensual green eyes and the dark mystery that surrounded him tore open a crack in her Craving his touch like a drug she followed him into his limousine And entering a world of dangerous sex wealth and privilege Rebecca s life would change forever Rescued by the Billionaire Raven knows two things for sure She stands in the dark naked and bound by the wrists and there is a powerful naked man with her seducing her mind as much as her body Needing to know how she got there Raven relives her life and death journey as a mysterious man from her past rescued her from a car crash off of a mountain cliff during the worst snow storm in 100 years Unsure of who is now seducing her will she must piece together her journey there in order to discover who she should run towards and who she must escape Excerpt Annie continued to stare at the illuminated nighttime city skyline as she felt the man s warm hand touch her leg He was standing behind her exploring her body and she didn t know what to do Freezing as she did in the doorway she followed his touch as it separated into 5 fingertips that massaged even further between her legs Annie s face flushed as she explored her feelings No man had touched her there since her awkward 16 year old boyfriend had accidentally taken her virginity from her She hadn t meant to have sex with him but in the confusion of fingers and touches she had lost her innocence regretting every moment once she had This man s touch wasn t like the 16 year old s though This one s seemed to know what he was doing It was like he was strumming a cord that led deep into her nether region And every time he plucked it she fell further under his spell As the man s large hands touched the delicate cotton of her panties Annie could barely breathe Fighting for breath words tumbled out of her mouth I was told that sex wouldn t be required Sex isn t required he casually replied You may go if you d like

Though allowing her to leave with his words his hands were another story His fingers with their gentle exploration demanded her to stay Before she knew it her pelvis rocked under his touch like a building swaying in the wind And as his fingers found her engorged nub Annie gave in Annie swallowed as her head rocked from side to side Again feeling her mind float away she lost herself in the undulations of his rubbing Her panties were becoming wet and she knew it She didn't know what she would unleash if she let herself go in his hands but unable to move she knew she had no choice but to find out Annie's teeth chattered as a powerful feeling worked its way into her loins As a rule she never touched herself and now possessed with lust she felt unprepared She wanted to scream but couldn't She wanted to fall to the ground but couldn't All she could do was quiver and shake as the pleasure that he gave her overwhelmed her thoughts And as if in a waking dream she was overcome by a tidal wave of emotions that painted images under her eyelids in shimmering shades of red and pink She had never felt so alive and when her loins pulsed every muscle in her body clamped and released in pleasure
