Q3. Explain the role of a shared services unit (SSU). Answer - SSUs reflect a desire to centralise and share services

The shared service provider becomes a dedicated provider of services such as; finance, HR, IT and procurement which continue to be provided internally

An SSU manages costs and quality SLAs to demonstrate value for money.

An SSU's benefits may be summarised as:

- cost effective internal service;
- liaison with its customers;
- anticipating future demand;
- employing resources and providing higher levels of service more cost effectively than if they were provided by a department or an external provider.

Q3. A manufacturer of electrically powered tools for the engineering industry consists of four separate business units, each of which undertakes its own purchasing activities.
