

Together with the Inventory module, the Bill of Materials module gives you access to two related functions, Bill of Materials and Kit Item Codes, which allow you to group multiple inventory items into another item or on an invoice.

- Manufacturing lets you build an inventory item out of other inventory items. For example:

- The screen below illustrates how to create the Bill of Materials with various components.

The screenshot shows the 'Post-Setup of Machines' window. It contains a table with the following data:
