[Breaking All The Rules](#) E H Shepherd,2019-10-24 Nairobi In route to address a room filled with college bound seniors my car dies Pressed for time I'm forced to do something I avoid like rule breakers public transportation I hate subways and crowded buses I evade them like men below my pay grade Rule 5 I've sworn off the male population because of my limited experience with them If they knew my secret I'd become a conquest Twenty eight years old and no man has popped my cork at least what Zaire my sister calls it Despite my sexual reservations crowded buses made me claustrophobic I can't help noticing how handsome the bus driver Theo Jameson is A green eyed square jawed stunner captivates me at once Theo's charm and good looks are a consolation for a crappy day Against my better judgment agree to go out with him Set for an evening of cheap dining I'm struck speechless when Theo invites me to one of D.C.'s choicest restaurants Dressed to the nines not what I expected Theo looks powerful in control Like he made important business decisions like the CEO of a multi million dollar company it made little sense to me considering he drove a bus for a living His story seemed murky and left me puzzled certain there is more to Theo Jameson than meets the eye Theo I believe it's better to show than tell and let Nairobi think what she wants about me Her mind made up already

although I don't hide my lifestyle from her I'm referred to as Prince of the City by my closest friends I don't mind the title and not far away from who I am My heart is massive and so is my bank account Nairobi has placed me in the friends without benefits category but I'm not okay with it I could tell her I'm worth billions but know to win her heart I first must gain her trust Absinthe of Malice Rhys Ford,2016-06-22 Sequel to Sloe Ride Sinners Series Book Five We're getting the band back together Those six words send a chill down Miki St John's spine especially when they're spoken with a nearly religious fervor by his brother in all but blood Damien Mitchell However those words were nothing compared to what Damien says next And we're going on tour When Crossroads Gin hits the road Damien hopes it will draw them closer together There's something magical about being on tour especially when traveling in a van with no roadies managers or lovers to act as a buffer The band is already close but Damien knows they can be more brothers of sorts bound not only by familial ties but by their intense love for music As they travel from gig to gig the band is haunted by past mistakes and personal demons but they forge on For Miki Damie Forest and Rafe the stage is where they all truly come alive and the music they play is as important to them as the air they breathe But those demons and troubles won't leave them alone and with every mile under their belts the band faces its greatest challenge overcoming their deepest flaws and not killing one another along the way The Big Trip Lonely Planet,2015-04-01 This comprehensive companion now in its third edition provides essential pretrip planning advice regional overviews with maps and itineraries and practical resources for finding work abroad Now in full colour packed with inspirational images Important Notice The digital edition of this book may not contain all of the images found in the physical edition **Planes, Trains and Elephants** Brian Thacker,2002 More travel adventures from the author of Rule no 5 No Sex on the Bus from the intrepid to the downright dubious **Railroad Work Rules Dispute** United States. Committee on Commerce,1966 **Hit So Hard** Patty Schemel,2025-05-01 A stunningly candid portrait of the Seattle grunge scene of the 90s and a memoir of an addict during the last great era of rock n roll excess by Hole drummer Patty Schemel Patty Schemel's story begins with a childhood surrounded by the AA meetings her parents hosted in the family living room Their divorce triggered her first forays into drinking at age twelve and dovetailed with her passion for punk rock and playing the drums Patty's struggles with her sexuality further drove her notoriously hard playing and by the late 80s she had focused that anger confusion and drive into regular gigs with well regarded bands in Tacoma Seattle and Olympia Washington She met a pre Nirvana Kurt Cobain at a Melvins show and less than five years later was living with him and his wife Hole front woman Courtney Love at the height of his fame and on the cusp of hers As the platinum selling band's new drummer Schemel contributed memorable driving beats to hits like Beautiful Son Violet Doll Parts and Miss World But the band was plagued by tragedy and heroin addiction and by the time Hole went on tour in support of their ironically titled and critically acclaimed album Live Through This in 1994 both Cobain and Hole bassist Kristen Pfaff had died at the age of 27 With surprising candor and wit Schemel intimately documents the events surrounding her dramatic exit from the band in

1998 that led to a dark descent into a life of homelessness and crime on the streets of Los Angeles and the difficult but rewarding path to lasting sobriety after more than twenty serious attempts to get clean *Hit So Hard* is a testament not only to the enduring power of the music Schemel helped create but an important document of the drug culture that threatened to destroy it *All For Her: Forbidden Romance Novellas* Gun Brooke, J.J.
