First Martyr of Liberty Mitchell Alan Kachun, 2017 First Martyr of Liberty explores how Crispus Attucks's death in the 1770 Boston Massacre led to his achieving mythic significance in the role of African Americans in the mainstream American historical narrative from the eighteenth to the twenty-first centuries

American Grand Strategy under Obama Georg Löffmann, 2017-07-03 Introduction Reimagining grand strategy Filming hegemony Hollywood and the Manichean script of geopolitics Competing visions for America popular discourses of grand strategy on The New York Times best sellers list The American grand strategy debate in international relations Think tanks and the Washington consensus on hegemony Strategic vision national security defense policy and the geopolitics of military pre-eminence The Obama doctrine vision for change Conclusion

The Rhetoric of Oil in the Twenty-First Century Heather Graves, David Edward Beard, 2019-04-05 This book examines mass communication and civic participation in the age of oil analyzing the rhetorical and discursive ways that governments and corporations shape public opinion and public policy and activists attempt to reframe public debates to resist corporate framing In the twenty-first century oil has become a subject of civic deliberation Environmental concerns have intensified questions of indigenous rights have arisen and private and public investment in energy companies has become open to deliberation International contributors use local events as a starting point to explore larger issues associated with oil-dependent societies and cultures This interdisciplinary collection synthesizes work in the energy humanities rhetorical studies and environmental studies to analyze the global discourse of oil from the start of the twentieth century into the era of transnational corporations of the 21st century This book will be a vital text for scholars in communication studies the energy humanities and in environmental studies Case studies are framed accessibly and the theoretical lenses are accessible across disciplines making it ideal for a postgraduate and advanced undergraduate audience in these fields

How Trump Thinks Peter Osborne, 2017-05-04 The most unusual feature of Donald Trump's nationalist and populist campaign for the presidency of the USA was his obsessive use of Twitter Like other social media this form of communication has often been assumed to encourage the dissemination of liberal values and the circulation of facts Trump's tweets by contrast formed a constant stream of provocations insults conspiracy theories alternative facts and outright lies And they helped him win power Peter Osborne author of *The Rise of Political Lying* and *Not The Chilcot Report* analyses Trump's incendiary mendacity in all its bewildering guises and shows how this fusion of entertainment and cunningly crafted propaganda has destabilized the world's most powerful democracy

Generation X Professors Speak Elwood Watson, 2013-03-22 While the Baby Boomer generation has consistently commanded widespread attention both scholarly and popular little has been written about Generation X the 46 million Americans born between the mid 1960s and late 1970s But with Baby Boomers now moving into retirement members of Generation X have come to the forefront of American society Consequently understanding Generation X and the potential impact of the independent sometimes rebellious spirit that

characterizes it is critical In *Generation X Professors Speak* Voices from Academia Elwood Watson has assembled a unique collection of thematically arranged essays by academics that offers insights into the issues conflicts and triumphs that epitomize this often overlooked generation One essayist writes about her determination to achieve her career goals without sacrificing time with her family while another speaks about being a stay at home dad and teaching part time at a university Another essay covers disabilities depression and mental illness pointing to the sympathetic approach Gen Xers tend to take toward individuals often marginalized by society The acceptance of interracial marriage on the part of members of Generation X is engagingly presented by an ivy league educated white man married to a woman of African descent And the role religion plays in the lives of Gen Xers is movingly expressed by an essayist whose commitment to his spiritual faith have allowed him to combat racial social family personal and academic issues These and the other essays in this collection passionately and sometime provocatively cover topics ranging from career class family life health music and physical disabilities to race religion and sexuality Together the essays define the characteristics and demonstrate the diversity of Generation X and will appeal to scholars students and others interested in social history psychology gender studies and popular culture

Professor Bloom's Delight on the Right: American Conservatism and The Closing of the American Mind Moritz P. Mücke, 2014-08 In 1987 the American philosopher Allan Bloom published his controversial book *The Closing of the American Mind* in which he criticized contemporary trends in American academia as well as in the culture at large The book was largely perceived to be a conservative tract and many commentators on the political Right praised the work although Bloom himself rejected the label conservative The controversy Bloom unleashed was and is a battle between political forces for cultural sovereignty especially in the universities and the commanding heights of American intellectual life This conflict was well captured in Camille Paglia's famous description of *The Closing of the American Mind* as the first shot in the culture wars The purpose of this study is to inquire into the American Right's reception and reconstruction of Bloom's book and to determine the initial impact and lasting influence it had on American conservative thought To provide the necessary context the history of American conservatism from 1945 up to the respective points in time is also illuminated in this work

Gender, Race, and Class in Media Bill Yousman, William E Yousman, Lori Bindig Yousman, Gail Dines, Jean McMahon Humez, 2020-07-24 Incisive analyses of mass media including such forms as talk shows MTV the internet soap operas television sitcoms dramatic series pornography and advertising enable this provocative new edition of *Gender Race and Class in Media* to engage students in critical mass media scholarship Issues of power related to gender race and class are integrated into a wide range of articles examining the economic and cultural implications of mass media as institutions including the political economy of media production textual analysis and media consumption Throughout *Gender Race and Class in Media* examines the mass media as economic and cultural institutions that shape our social identities especially in regard to gender race and class

The Obama Question Gary Dorrien, 2012-02-16

The election of Barack Obama to the presidency in 2008 was hailed by many as a historic event and by some as the end of the Reagan era in American politics But conservatives have condemned Obama from the beginning of his presidency and many progressives charge that Obama has betrayed the causes that he espoused in 2008 This book offers a brilliant critique of Obama s presidency and a powerful case that progressives should not give up on Obama Gary Dorrien described by Princeton philosopher Cornel West as the preeminent social ethicist in North America today argues that Obama is a figure of protean irony and complexity Obama has been a bitter disappointment in many ways Dorrien contends yet Obama also has historic achievements to his credit that are too often discounted Dorrien emphasizes the importance of Obama s story to his career and devotes chapters to the economic crisis the health care reform debate war and foreign policy banking regulation and the federal budget and the case for a progressive politics of the common good Ultimately Dorrien says the Obama question is whether or not Obama s presidency will mark the end of the Reagan era when giant corporations and the wealthy got whatever they wanted military budgets soared and American politics was ruled by the fantasy of tax cuts paying for themselves Dorrien argues that there is still time to redeem the hope of the 2008 election bringing an end to the Reagan era The Obama Question will stand as an insightful evaluation of a tumultuous presidency long after the next election has passed
