Voices from the Field, 2008-09 The publication *Voices From the Field* contains personal essays written by returned Peace Corps Volunteers accompanied by standards based language arts lesson plans and workshops that Stengthen students reading comprehension and writing skills Engage and inspire students to respond to the text and create original narratives Broaden students perspectives on the world and themselves **Diversity, Oppression, and Change** Flavio Francisco Marsiglia, Stephen Stanley Kulis, Stephanie Lechuga-Peña, 2021 *Diversity Oppression and Change* is an engaging and well researched book about a timely and controversial topic The authors unpack complex theory based concepts related to oppression and privilege so that readers can identify their historically based impact on certain groups and communities They use an easy to understand style which makes cultural diversity concepts come to life through specific examples and notes from the field often coming from their own practice policy and research experiences This book is essential reading for social workers and allied professionals committed to anti oppressive practice *Diversity Oppression and Change* is also about hope and resiliency and the miraculous ability of individuals and communities to bounce back from oppressive experiences and historical trauma to produce lasting social change and achieve social justice T&T Clark Handbook of Christian Theology and Climate Change Hilda P. Koster, Ernst M. Conradie, 2019-12-12 The T these essays are critically engaged by respondents situated in other geographic regions minority communities non Christian traditions or non theological disciplines Structured in seven main parts the handbook explores 1 the need for collaboration with disciplines outside of Christian theology to address climate change 2 the need to find common moral ground for such collaboration 3 the difficulties posed by collaborating with other Christian traditions from within 4 the questions that emerge from such collaboration for understanding the story of God s work and 5 God s identity and character 6 the implications of such collaboration for ecclesial praxis and 7 concluding reflections examining whether this volume does justice to issues of race gender class other animals religious diversity geographical divides and carbon mitigation This rich ecumenical cross cultural conversation provides a comprehensive and in depth engagement with the theological and moral challenges raised by anthropogenic climate change **Media Fortunes, Changing Times** Russell Hiang-Khng Heng, 2003-08-01 This book examines how media have brought about or paced dramatic political events in Southeast Asia over the last two decades It highlights a situation where media dynamics are no longer a simple formula of state control versus media resistance The state can propel its own media liberalizing programme civil society can be an enemy of press freedom market forces and cultural mindsets are sometimes more potent agents of change than state appointed media custodians Practitioners scholars and activists have come together in this volume to provide a diversity of narratives on subjects as varied as powerful politicians and marginalized transsexuals **Changing Your World One Diaper at a Time** Taviano, Marla, Activating Cultural and Social Change Baden Offord, Caroline Fleay, Lisa Hartley, Yirga Gelaw Woldeyes, Dean Chan, 2021-12-23 In this thought

provoking book a diverse range of educators activists academics and community advocates provide theoretical and practical ways of activating our knowledge and understanding of how to build a human rights culture Addressing approaches and applications to human rights within current socio cultural political socio legal environmental educational and global contexts these chapters explore tensions contradictions and complexities within human rights education The book establishes cultural and educational practices as intrinsically linked to human rights consciousness and social justice showing how signature pedagogies used by human rights practitioners can be intellectual creative or a combination of both Across three sections the book discusses ways of bringing about holistic relevant and compelling approaches for challenging and understanding structures of power which have become a global system while also suggesting a move from abstract human rights principles declarations and instruments to meaningful changes that do not dehumanise and distance us from intrinsic and extrinsic oppressions denial of identity and community and other forms of human rights abuse Offering new critical cultural studies approaches on how a human rights consciousness arises and is practised this book will be of great interest to scholars and students of cultural studies education studies critical sociology human rights education and human rights studies

COVID-19: Individual Rights and Community Responsibilities J. Michael Ryan, 2023-01-31 COVID 19 Individual Rights and Community Responsibilities provides critical insights into the tensions between individual rights and community responsibilities during the COVID 19 pandemic Questions about mandates lockdowns priorities and broader questions related to neighborly responsibilities and human rights have been central to debates about how to confront the pandemic The scholarship presented in this volume adds to those debates by confronting such issues as the role of social media in spreading misinformation mask mandates pandemic politics and the very ethos of what is meant by human and individual rights Drawing on the expertise of scholars from around the world the work presented here represents a remarkable diversity and quality of impassioned scholarship on the impact of COVID 19 and is a timely and critical advance in knowledge related to the pandemic

Intentional Communities (Routledge Revivals) Barry Shenker, 2011-03-31 Some communities exist for tens even hundreds of years Others short lived What then makes for communal success Barry Shenker who lived on a Kibbutz for a number of years compares the Hutterites the Kibbutzim and therapeutic communities and argues that there is no simple formula Through historical and sociological analysis combined with personal experience and insight the author provides fresh thoughts on a form of a social life which fascinates us all First published in 1986

The Vows of Religious Life in a Secular Society Judith A. Merkle, 2025-08-21 This book investigates religious vows shedding light on the type of faith that can sustain humanity in secular times It examines the personal impact of religious life as well as its potential to foster a sense of completeness within society at large Unbelief in today s society can be partially rooted in the shallowness of the sort of religion that the secular can abandon Such a religion characterized as magical shallow illusory or rooted solely in external rituals lacks the depth required to thrive in a secular society It fails to address the profound aspects of human

existence the authentic freedom of the spirit and the enduring obedience of faith This study of religious vows uncovers their deeper meanings in light of these challenges It invites us to consider whether religious life despite contemporary criticisms can be seen as touching wholeness This book does not only delve into the theological foundations of these vows but also key areas which impact their understanding and living in new contexts It surveys sociological landscapes and goes beyond to encompass shifts in science psychology theology Religious life in this sense is part of the renewal of the church as well as an agent in it By focusing briefly on each vow Judith A Merkle illustrates how religious life serves as a bridge connecting the secular and the sacred It is a life focused on love of God and service of others which is a witness to the coming of Kingdom of God and values which truly matter in contemporary society
