Eliminate Outdated Requirements for City Notices

- The city is required to publish public notices in the official city newspaper with a daily circulation over 25,000, but there is no longer any newspaper that fits the bill.
- This measure would get rid of that old requirement and give City Council the power to come up with a new, more effective way to publish public notices (e.g., online, multiple smaller news outlets).

S

YES!

Let the City Spend More of the Funds from Already-Approved Taxes

- Increases the city's allowable limit of how much tax revenue it can spend, so that it can continue to spend money towards things that voters passed taxes to pay for.

13

YES!

Fix and Modernize K-12 School and Higher Ed Buildings**

- \$15 billion in bonds for school and college facilities in California, including \$9 billion for preschool and K-12 schools
- Improve health and safety conditions in school buildings, including earthquake/fire safety and removing lead from water
- Increase affordable student housing

** Ballot measures are rarely perfect; we still believe that all students deserve to learn in a safe environment.
