friends I make, And better
friends I'll not be knowing,

Into the World's Great Heart Edna St. Vincent Millay, 2023-04-25 An annotated selection of the letters of the Pulitzer Prize winning poet and playwright Edna St Vincent Millay from childhood through the last year of her life Throughout her life Edna St Vincent Millay wrote hundreds of letters which together create a colorful tapestry of her inner life This selection based on archival research represents Millay's correspondence from 1900 when she was eight until 1950 the last year of her life Through her letters readers encounter the vast range of Millay's interests including world literature music and horse racing as well as her strong commitment to gender equality and social justice This collection edited by Timothy F Jackson includes previously unpublished correspondence as well as letters containing early versions of poems revealing new dimensions in Millay's creative process and influences It is enriched by Jackson's thoughtful introduction and notes plus a foreword by Millay's literary executor Holly Peppe Millay's observations on her inner life and the world around her which speak to contemporary concerns as well add to our understanding of American literature in the first half of the twentieth century Poetry Review Stephen Phillips, Galloway Kyle, 1925 **No Man's Land** Sandra M. Gilbert, Susan

Gubar, 1996-02-21 How do writers and their readers imagine the future in a turbulent time of sex war and sex change And how have transformations of gender and genre affected literary representations of woman man family and society This final volume in Gilbert and Gubar's landmark three part No Man's Land The Place of the Woman Writer in the Twentieth Century argues that throughout the twentieth century women of letters have found themselves on a confusing cultural front and that most increasingly aware of the artifice of gender have dispatched missives recording some form of the future shock associated with profound changes in the roles and rules governing sexuality Divided into two parts Letters from the Front is chronological in organization with the first section focusing on such writers of the modernist period as Virginia Woolf Zora Neale Hurston Edna St Vincent Millay Marianne Moore and H D and the second devoted to authors who came to prominence after the Second World War including Gwendolyn Brooks Sylvia Plath Margaret Atwood Toni Morrison and A S Byatt Embroiled in the sex antagonism that Gilbert and Gubar traced in The War of the Words and in the sexual experimentations that they studied in Sexchanges all these artists struggled to envision the inscription of hitherto untold stories on what H D called the blank pages of the unwritten volume of the new Through the works of the first group Gilbert and Gubar focus in particular on the demise of any single normative definition of the feminine and the rise of masquerades of femininity amounting to female female impersonation In the writings of the second group the critics pay special attention to proliferating revisions of the family romance revisions significantly inflected by differences in race class and ethnicity and to

the rise of masquerades of masculinity or male impersonation Throughout Gilbert and Gubar discuss the impact on literature of such crucial historical events as the Harlem Renaissance the Second World War and the sexual revolution of the sixties What kind of future might such a past engender Their book concludes with a fantasia on The Further Adventures of Snow White in which their bravura retellings of the Grimm fairy tale illustrate ways in which future writing about gender might develop

Savage Beauty Nancy Milford, 2002-09-10 Thirty years after the smashing success of *Zelda* Nancy Milford returns with a stunning second act *Savage Beauty* is the portrait of a passionate fearless woman who obsessed Americans ever as she tormented herself ONE OF ESQUIRE'S 50 BEST BIOGRAPHIES OF ALL TIME If F. Scott Fitzgerald was the hero of the Jazz Age Edna St. Vincent Millay as flamboyant in her love affairs as she was in her art was its heroine The first woman ever to win the Pulitzer Prize Millay was dazzling in the performance of herself Her voice was likened to an instrument of seduction and her impact on crowds and on men was legendary Yet beneath her studied act all was not well Milford calls her book a family romance for the love between the three Millay sisters and their mother was so deep as to be dangerous As a family they were like real life *Little Women* with a touch of *Mommie Dearest* Nancy Milford was given exclusive access to Millay's papers and what she found was an extraordinary treasure Boxes and boxes of letters flew back and forth among the three sisters and their mother and Millay kept the most intimate diary one whose ruthless honesty brings to mind Sylvia Plath Written with passion and flair *Savage Beauty* is an iconic portrait of a woman's life

Poets in the Public Sphere Paula Bernat Bennett, 2021-03-09 Based entirely on archival research *Poets in the Public Sphere* traces the emergence of the New Woman by examining poetry published by American women in newspapers and magazines between 1800 and 1900 Using sources like the *Kentucky Reporter* the *Cherokee Phoenix* the *Cincinnati Israelite* and the *Atlantic Monthly* Bennett is able to track how U.S. women from every race class caste region and religion exploited the freedom offered by the nation's periodical press especially the poetry columns to engage in heated debate with each other and with men over matters of mutual concern Far from restricting their poems to the domestic and personal these women addressed a significant array of political issues abolition Indian removals economic and racial injustice the Civil War and not least their own changing status as civil subjects Overflowing with a wealth of heretofore untapped information their poems demonstrate conclusively that ordinary nineteenth century women were far more influenced by the women's rights movement than historians have allowed In showing how these women turned the sentimental and ideologically saturated conventions of the period's verse to their own ends Bennett argues passionately and persuasively for poetry's power as cultural and political discourse As much women's history as literary history this book invites readers to rethink not only the role that nineteenth century women played in their own emancipation but the role that poetry plays in cultural life
