Dimensions of Register Variation Douglas

Biber, 1995-08-31 Douglas Biber's new book extends and refines the research and methodology reported in his groundbreaking Variation Across Speech and Writing CUP 1988 In Dimensions of Register Variation he gives a linguistic analysis of register in four widely differing languages English Nukulaelae Tuvaluan Korean and Somali Using the multi dimensional analytical framework employed in his earlier work Biber carries out a principled comparison of both synchronic and diachronic patterns of variation across the four languages Striking similarities as well as differences emerge allowing Biber to predict for the first time cross linguistic universals of register variation This major new work will provide the foundation

for the further investigation of cross linguistic universals governing the pattern of discourse variation across registers and will be of wide interest to any scholar interested in style register and literacy *Home Front Diary 1944* B.G.

Webb,2017-01-23 This novel is dedicated to all the brave men and women who fought and died during World War II It is a wonderful recreation of that critical time in the struggle against Fascism The reader feels he is there back in 1944 Mark David Johnson in his late teen keeps a diary of his observations and feelings of that year from battles in the Pacific to D Day and the Battle of the Bulge in Europe He and his family experience an awakening about their heritage and their ability to face danger with courage The lessons they learn fit as much to our critical times as they did in 1944 Archives of Infamy

Nancy Luxon,2019-08-20 Expanding the insights of Arlette Farge and Michel Foucault's *Disorderly Families* into policing public order in justice and daily life What might it mean for ordinary people to intervene in the circulation of power between police and the streets sovereigns and their subjects How did the police come to understand themselves as responsible for the circulation of people as much as things and to separate law and justice from the maintenance of a newly emergent civil order These are among the many questions addressed in the interpretive essays in *Archives of Infamy* Crisscrossing the Atlantic to bring together unpublished radio broadcasts book reviews and essays by historians geographers and political theorists

Archives of Infamy provides historical and archival contexts to the recent translation of *Disorderly Families* by Arlette Farge and Michel Foucault This volume includes new translations of key texts including a radio address Foucault gave in 1983 that explains the writing process for *Disorderly Families* two essays by Foucault not readily available in English and a previously untranslated essay by Farge that describes how historians have appropriated Foucault *Archives of Infamy* pushes past old debates between philosophers and historians to offer a new perspective on the crystallization of ideas of the family gender relations and political power into social relationships and the regimes of power they engender Contributors Roger Chartier Collège de France Stuart Elden U of Warwick Arlette Farge Centre national de recherche scientifique Michel Foucault 1926-1984 Jean Philippe Guinle Catholic Institute of Paris Michel Heurteaux Pierre Nora cole des Hautes études en Sciences Sociales Michael Rey 1953-1993 Thomas Scott Railton Elizabeth Wingrove U of Michigan Come Rain or Shine Pam
