Salt In His Shoes:

Salt in His Shoes Deloris Jordan, Roslyn M. Jordan, 2003-11 This heartwarming picture book written by the superstar's mother and sister teaches that hard work and determination are much more important in becoming a champion **Salt in His Shoes** Deloris Jordan, 2003 Michael Jordan learns that determination and hard work are more important than size **The Leader in Me** Stephen R. Covey, 2012-12-11 Children in today's world are inundated with information about who to be, what to do, and how to live. But what if there was a way to teach children how to manage priorities, focus on goals, and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A. B. Combs Elementary School in North Carolina. To hear the parents of A. B. Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children who blossomed under the programme. By the end of the following year, the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits that have already changed the lives of millions of people and shows how children can use them as they develop. Those habits: be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well. **Reading Wellness** Jan Burkins, Kim Yaris, 2023-10-10 With so many state standards and demands of accountability, it can be a challenge for teachers to teach in ways that create energy and enthusiasm for reading. In their book *Reading Wellness: Lessons in Independence and Proficiency*, authors Dr. Jan Burkins and Kim Yaris want to reignite the passion in teachers and drive them to instill confidence, curiosity, and joy in students. Burkins and Yaris define reading wellness to include all aspects of readership so we can be our best reading selves. The book is built around a framework of four intentions: alignment, balance, sustainability, and joy. It includes a series of field-tested lessons that help children read closely and carefully while still honoring their interests, passions, and agency as readers. *Reading Wellness* encourages each teacher to shape these ideas in ways that support personal ideals and goals while nurturing a love of reading and a passion for lifelong learning. **Teaching Number Sense, Grade 1** Chris Confer, 2005 The teaching number sense series focuses on the critical role that number sense plays in students developing mathematical understanding. Number sense encompasses a wide range of abilities, including being able to make reasonable estimates and to think and reason flexibly. **Salt in Their Hair** Edgar A. Anderson, 2019-06-02 Dick Blackwell and Paul Markham are best pals. Together they share the pleasures of boating, swimming, and picnics on the sandy shores of Nantucket Island, thirty miles off the Massachusetts coast, as well as the thrill of camping out alone, the excitement of hunting for Indian relics, and the terror of being lost in the eerie pine woods at night. **10 Things You Might Not Know About Nearly Everything** Mark Jacob, Stephan Benzkofer, 2012-05-10 For years the Chicago Tribune's 10 Things You Might

Not Know column has been informing and entertaining readers on a diverse range of fascinating subjects 10 Things You Might Not Know About Nearly Everything is a collection of the best of these columns presented in a fun and easy to read format This book gives readers well researched obscure facts on universal topics including arts and culture food and leisure history politics science and technology sports holidays and religion lifestyle language and more 10 Things You Might Not Know About Nearly Everything contains a plethora of surprising trivia and pertinent tidbits on so many different areas that will appeal to everyone from history buffs to sports fans to foodies with an especially riveting look into Chicago area history and facts For example in Zion Illinois it was once not only illegal to gamble curse and sell alcohol and tobacco but also to whistle on Sundays put on plays eat pork or oysters spit or wear tan colored shoes Some facts will make readers laugh and some will make jaws drop This collection is a kaleidoscope of the absurd the outrageous and the sometimes gruesome making a highly entertaining mix of people places and things 10 Things You Might Not Know About Nearly Everything will leave readers brighter wittier and curious to learn more about myriad worlds they never encountered before and will never forget
