

Argument Essay: Body Paragraphs

Before you begin your body paragraphs, make sure you have chosen your claim (your opinion) and three reasons to support it. Your three reasons will then become the topic sentences of your three body paragraphs. **Color code** the parts of your paragraphs using the key on the left.

My Claim:

Phones should be used in class

My Three Reasons:

1. It can be so useful in the classroom than a Chromebook

Getting information can be a lot more faster

2.

3. In case you forget your chromebook.

Body Paragraph 1

- a topic sentence with your first reason
- 1 or more pieces of evidence from the text
- 2 or more sentences of thoughtful elaboration
- concluding or transition sentence
- appropriate transition phrases throughout

Chromebooks are used for everything in school, sometimes the things that we need we can't access because it's blocked. That's why people say that they should use their phones for school instead of a chromebook. Using phones instead of using our chromebook is going to be a lot better because we can access more and do it quicker. There would be a lot of times where your computer would crash or take too long to load something.

Body Paragraph 2

- a topic sentence with your second reason
- 1 or more pieces of evidence from the text
- 2 or more sentences of thoughtful elaboration
- concluding or transition sentence
- appropriate transition phrases throughout

Reading, writing an essay, or over all looking for information on chromebook can be limited but on the phone there are endless websites that can help you. Even Oxford had something to say about it. He said that phone can be very useful in school if you tell your students to download "educational learning apps".

Body Paragraph 3

- a topic sentence with your third reason
- 1 or more pieces of evidence from the text
- 2 or more sentences of thoughtful elaboration
- concluding or transition sentence
- appropriate transition phrases throughout

There are a lot of times where we forget our chromebooks and then you have to go through this process instead we can use our phones. I restate everything that I told you about that our phones can be more useful in school. People don't always forget their chromebooks but when it happens we should be able to use our phones.
