nighttime drama *Smash* and a string of live musical productions. Then came ABC's comedic fantasy musical series *Galavant* and the CW's surprise Golden Globe darling *My Crazy Ex Girlfriend*. Television and the musical appeared to be a perfect match. But as author Kelly Kessler illustrates, television had at that point been carrying on a sixty-year symbiotic love affair with the musical. From Rodgers and Hammerstein's appearance on the first *Toast of the Town* telecast and Mary Martin's iconic *Peter Pan* airings to Barbra Streisand's 1960s CBS specials *The Carol Burnett Show*, *Cop Rock*, *Great Performances*, and a string of one-off musical episodes of sitcoms, nighttime soaps, fantasy shows, and soap operas, television has always embraced the musical. Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American culture and changing television, film, and theatrical landscapes. She recounts and explores this rich, decades-long history by traversing musicals, stars, and sounds from film, Broadway, and Las Vegas to the small screen.

Broadcasters, parents, public officials, and teachers have all abandoned our children to a wasteland of vacuous, often violent television programming. In this eloquent book, Newton Minow and Craig LaMay persuasively demonstrate that this is a false application of the First Amendment. Broadcasters are required by law to serve the public interest, and the Supreme Court and Congress have said that service to children is a broadcaster's obligation under law. They remind us the First Amendment can be used on behalf of children to help make television a force that will nurture and not harm them.
