Book 15 Bible Translations PB Kurt Jurgensmeier, 2012-10-23 What is the best Bible Because of the myriad of Bible translations Christians have wondered which one is best This question has become especially controversial because the publisher of the most popular translation in the world the NIV decided to create a gender inclusive text Against much popular opinion we defend the following Dynamic thought for thought translations NIV NLT are superior to more literal word for word translations NASB ESV More literal Bible translations often fail in a critical part of accurate translation producing good contemporary English The criticisms against dynamic Bible translations are either exaggerations errors and or even slanderous against the word of God Gender inclusive language is an improvement in most cases We also provide a chapter offering some suggestions and commentary regarding the best tools for studying and interpreting Scripture POWER BIRTHSTONE Deomar Pandan, 2019-10-03 10 out of 12 people have their birthstone wrong Your birthstone is the gemstone that represents you from birth Birthstones came from the talismanic breastplate of a biblical high priest However of the 12 original gems only 3 remain in today s list The birthstone that vendors say is yours may not actually be the original Your real birthstone holds magical powers specifically helpful to you A wrong gem could bring dangerously wrong powers while the right lucky stone gives you the right magic How much do you truly know your natal stone This definitive guide full of illustration allows you to discover not only your original month stone but also your complete set of zodiac birthstones Before you lose hard earned money buying that expensive birthstone that is not actually yours know your own stones Get this book
