

Clay Story (10 Syllables Per Line Poem)

**Strange how Life can be more than a story
Plots and characters bring a pleasant thrill
With laughter and tears, some sad and funny
Tragedies and heartaches may bring Pain's chill.**

**A finite journey men must tread along
But storms and trials make it clear to me
In the end there's a Home where we belong
Our purpose is -with God we're meant to be.**

**Life one page at a time is no wonder
God's the Author, so trust in Him today
He knows the best- His Love stays forever
And the choice is ours to make, if we may.**

**As clay to the Potter, let our life be-
A masterpiece for Him all men can see.**
