

Reflections in Time

Above there is reflection
Colorful and bright
Dancing in the sunlight
Shimmering at night

Just below the surface
Another world awaits
Holding onto mysteries
Until some future date

Our view will let us marvel
That these two coexist
And think on our experiences
And those we might have missed

The world is full of beauty
And also some surprise
Perhaps it is the future
Reflecting in our eyes

Poems And Reflections:

Tears of Change Debbie Monteggia, 2020-08-20 Tears of Change is a collection of poems and quotes that takes you on a journey through the everyday emotions of life In this book you will find unique one of a kind poems Some will touch your heart and bring you to a place of appreciation and peace and others may change the way you view and look at things You will find ones that will move you through joy loss acceptance and renewal as well as pain and sorrow My hope is that one or many will inspire you to take a leap into expressing all of your own emotions so you can reach a deeper place of love and gratitude within yourself

Poetry Reflections JB Frost, 2020-09-27 155 Poems A reflection is a distorted rendition of that which casts the reflection A reflection is a mirrored image that defies the physics of its counterpart A reflection is a chance to appreciate something in a different light I have previously released books 1 2 for my From the Mind Imagination of J B Frost series but something wasn't right As I looked back on the content and the timing I realized I had to assemble a better assortment of my poetry that would better appeal to the poetry market This E Book edition of Poetry Reflections contains many of my poems from my first two books and several new ones that were originally slated to be in book 3 of my earlier mentioned series In my study of poets through the ages I've learned that most had written things that never made it to print or put out for public inspection and or approval I had taken a more daring road in my first two poetry ventures and included just about everything I've written over the last few years I wanted a collection that best mirrors the more positive messages I've written I wanted a better representative of who I am as a writer and as a person I believe poetry is therapy and I believe we all can benefit from its sessions I hope you enjoy my work

Psalms of a Woman Marie Chew-Elliott, 2002-08 A collection of poems about subjects ranging from the love of God to the unconditional love of a mother and the intoxicating love of a man

Living Life: Poems and Reflections Robin Hosking, 2021-05-14 All life is precious no matter what the reasoning it should never be easy to harm another life There is a difference between wishing harm on someone and causing harm to them In life we are all uniquely valuable and to be robbed of that uniqueness is unacceptable We all live in this world and we need to be more amicable to our fellow man This world is not an easy place the hardest thing for us to do is live here Love must start somewhere and that is with us Robin wants to express thoughts of love to inspire others This is the mission of Robin Hosking's poetry If we love we live If we stop loving or turn away from the love offered to us we die Mother Earth I love you and provide for you with all that I have I nourish you with the food from my ground I hydrate you with my water From all of my lovely plants and trees you are able to breathe I love it when you come out to visit with me and admire my many scenes When you swim in my lakes and streams I really enjoy your company But you are mistreating me

Poems Rick Paulsen, 2016-10-21 I have chosen thirty poems that cover a wide gamut of subjects Some might make you chuckle or even laugh Some might make you cry Some are poignant or metaphorical I think that the inspiration for any story starts with some experience the writer has had These are some of mine

Reflections of the Heart Bridget Robinson, 2019-12-28 Life has a

way of bringing out the best in us the good and the bad The main poem Tree Connection will leave you asking yourself Will you sway Will you stay rooted Who's tying you down Who's poking you Will life cause you to be crooked Will you flourish Will you die Will you lean Will you bend Is there truly a connection between trees and a person Some will doubt the connection of a tree to a live person but this poem will answer their doubt It will challenge you to look at where your strength comes from in relation to that of an actual tree planted here on earth Reflect on your life story of testing who you really are when life challenges you with raining cats and dogs clear skies ahead to sleeting and hailing all over As you continue to inhale and exhale while reading this poem the next few poems will have your heart racing and excited to read more If you have ever lost a loved one a friendship a relationship or even a job you will and can relate to the poems in this book These inspiring poems will take you on intimate thrills in and around relationships A path of emotions through love turmoil struggle identity loss and society trying to define you But through it all the poems will touch your heart and leave you with real life encounters of encouraging uplifting words Don't stop now read and enjoy the ride
