J. Marsh,2010-03-08 Mindset is a book that really isn t a book it s more of a journeythat will leave the readers mindset in a mist of a storm It has a long dark misery of the youth today and the hardship of real world pains upset and downfall Mindset often hits poits in our life that we wish never happen or wish we could forget There is no real understanding or answer to Mindset and the only answer that can be is the one the reader has after he or she has finished the book This book is a collection of poems I have written over the years in my journey It addressess a variety of situations and topic of emotions facts of life misery and pain and journies that have been traveled A Game with the Mind John A. Fosse,2022-08-01 A Game with the Mind to See What You Can Find reveals what is truly in the mind and heart of the reader Through the exercises and examples carefully sequenced for progressive learning one will experience both the why and how of the personal poetic experience The instructive flow of A Game with the Mind leads the reader through the process of learning about one s innermost self One will find the advantage of dealing with one s own adversities emotions or even successes in a way that will lead to solutions understandings and even revelations about oneself The greatest difficultly about understanding the value of poetry lies in its most valued use It is not to beautify speech as much as it is to learn of one s innermost thoughts pertaining to any situation

that is emotionally spiritually or physically felt The beauty of poetry comes through the illuminating voice of the inner self This book leads one to this objective The how of poetry seems to be the most elusive for the beginner How or where does one begin and how does one continue This book teaches a simple methodology for the beginner It points the way to extract feelings from your mind and heart that you are unaware of It creates an aha for the soul in seeing solutions to problems or finding peace through new understanding In essence this book is either a self help book or an English teacher s textbook for poetry The book progressively works through assignments from the simple basic poetry on toward most styles of poetry of the last two to three hundred years It shows how these can be used today to express our varied feelings and emotions
