key pieces of the San Antonio Spurs Big Three Here is a preview of what is inside this book Early Life and Childhood Career in France Tony Parker s NBA Career Parker s Personal Life Impact on Basketball and Beyond Parker s Legacy An excerpt from the book While basketball today is a global sport with dozens of international players currently in the NBA it was not like that in 2001 Basketball was a sport played almost entirely by Americans A few foreigners had done well for themselves in the NBA Lithuanian Arvydas Sabonis even as a 36 year old center had led the Portland Trail Blazers in the 2000 Playoffs to a near victory over the eventual champion Los Angeles Lakers Croatian Toni Kukoc had played a key role as part of Michael Jordan s second three peat And over the past NBA season a German 7 footer named Dirk Nowitzki had averaged 21 8 points and 9 2 rebounds over the past 2000 01 season But all three of those players were big men and big men would always be in demand For an international guard to succeed in the NBA was a different story Croatian shooting guard Drazen Petrovic had made the All NBA Third Team in 1993 before he tragically perished in a car accident But in the eight years since his death no foreign guard had come close to surpassing his legacy No guard until now For on June 27 2001 the San Antonio Spurs would select a French point guard named Tony Parker with the 28th pick in the draft Outside of his invitation to the Nike Hoop Summit in 2000 Parker had never played in the United States He was listed at just 5 11 during the draft and was viewed as a project a good athlete who would need time to develop into a legitimate basketball player Would Parker be able to adjust to playing in an entirely different country Would he be able to handle playing for the San Antonio Spurs a championship level team that had no time to coddle him Would he handle the transition from playing in Paris to the middle of Texas The answer turned out to be a resounding yes Under the tutelage of Gregg Popovich Parker slowly developed from an inconsistent unsure point guard to one of the most devastating offensive players in the game Alongside Hall of Fame power forward Tim Duncan and Argentinian shooting guard Manu Ginobili Parker has helped to create one of the most devastating trios in the history of basketball The result has been winning seasons year after year multiple nominations to the All Star Game and the All NBA Team a Finals MVP and five NBA championships International players are now a regular part of the NBA and their ranks continue to swell each season But while there were foreign players before Parker as well as foreign players better than him Parker showed that any international player could succeed in the NBA if they worked hard enough for it **Make Every Shot Count** Bruce Rosenfeld,2011 From New Jersey s rough and competitive world of playground basket ball to the unforgiving sleep deprived reality of surgical training Bruce Rosenfeld offers a gripping account of how a young boy with an overwhelming passion for basketball repeatedly utilizes lessons learned on the court to overcome seemingly insurmountable challenges Often hilarious and at times heart wrenching this captivating and honest narrative leaves the reader mesmerized by a unique perspective on two very different worlds and how they ultimately fused to shape a life and a successful career in medicine A book for the underdog the author s lessons of teamwork discipline and never ending practice is motivating and inspiring and effortlessly demonstrates the importance of believing in your own potential while trusting your instincts to do

what is right About the Author Dr Bruce Rosenfeld has been the chief of urology at the Fallon Clinic in Worcester Massachusetts and an assistant professor of urology at the University of Massachusetts School of Medicine Currently he is in private practice in Tucson Arizona where he enjoys caring for patients and never forgets his basketball roots Endorsement what youth sports are supposed to be about This book strengthens my faith in that ideal Steve Kerr five time NBA Champion Chicago Bulls San Antonio Spurs

Chris Paul: the Inspiring Story of One of Basketball's Greatest Point Guards

Clayton Geoffreys, 2014-05-11 Learn the Incredible Story of Basketball Superstar Chris Paul Read on your PC Mac smartphone tablet or Kindle device In Chris Paul The Inspiring Story of One of Basketball's Greatest Point Guards you ll read about the inspirational story of basketball's premier point guard Chris Paul Chris Paul has emerged as a top five point guard in the NBA amongst the likes of Derrick Rose Steve Nash Russell Westbrook and Rajon Rondo From once struggling to make the varsity team of his high school team Chris Paul has come a long way since being drafted as the fourth overall pick in the 2005 NBA Draft The rest is history as the Los Angeles Clippers have emerged to become one of the elite teams in the West This year the Clippers defeated the Golden State Warriors in seven games Chris Paul is easily one of the most dynamic point guards to play the game of basketball From flashy crossovers to speedy races down the court on the fastbreak to lobs to Blake Griffin and DeAndre Jordan John Wall has had an illustrious basketball career It will be exciting to see how Chris Paul and the Clippers do in this year's 2013 2014 NBA playoffs Here is a preview of what is inside this book Early Life and Childhood College Years at Wake Forest Chris Paul's NBA Career CP3's Personal Life Paul's Impact on Basketball and Beyond Chris Paul's Legacy An excerpt from the book The other question that will confront Paul in the future is how long he can hold to the title of best point guard in the league Since his near MVP season in 2008 Paul has been the gold standard through which all other point guards are compared to Fellow 2005 NBA Draft point guard Deron Williams challenged Paul for years and repeatedly beat Chris Paul in head to head matchups But Deron Williams has fallen off over the years as he now lacks the explosiveness that he used to overpower the smaller Paul Derrick Rose won the MVP in 2011 but has never been the same thanks to multiple knee injuries Stephen Curry has lit up the league with his three point shooting John Wall has unparalleled speed and there are more great young point guards today than perhaps at any moment in NBA history But while Chris Paul may lack their athleticism no point guard in the league has his on court knowledge Eventually one of those younger point guards will surpass the aging Paul as time devours all things with the possible exception of the San Antonio Spurs The legacy of Chris Paul will be written in the next few years as his prime begins to reach his end Will the point guard who puts up incredible numbers and leads a team night in and night out be able to secure that elusive championship Will Paul secure his rank among the truly great point guards And how long will this point guard be able to dominate his position Until that day comes when someone surpasses this generous intelligent man who has endured terrible and horrific losses will showcase himself as possibly the greatest point guard there ever was and ever will be
