In Other Words: Literature by Latinas of the United States Roberta Fernández, 1994-01-01 Roberta Fernández has gathered the best and most representative examples of fiction poetry drama and essay currently being written by Latina writers of the United States The work is arranged by genre and topics are as varied as the voices and styles of the writers the challenge of living in two cultures experiencing marginality as a result of class ethnicity and or gender Latina feminism the celebration of one's culture and its people Most of the pieces are in English and some are presented bilingually in English and Spanish A preface and an introduction by the editor and a foreword by the noted critic of Latin American literature Jean Franco serve to contextualize the writers and their work a primary and secondary bibliography serves as an appendix

Drama in the Classroom Taku Victor Jong, 2024-07-20 In this masterfully written book the author Dr Taku Victor Jong not only provides a thoroughly researched insight into the sheer evanescent state of the African oral narrative but also proposes an academic solution geared at bringing it back into the mainstream of the people's collective consciousness The study which spans the heydays of the folk narrative passing through the reasons for its decline in the present day context will undoubtedly prove to be a useful tool in the hands of classroom teachers of English language and Literature history civic and moral education lecturers of Drama and theatre arts and pedagogues of other subjects As an educationist and a high profile adept of cultural studies drama and performing arts the author's carefully thought out proposals on adapting the Cameroonian oral tale into plays with the aid of Process Drama as well as in the context of modern audio visual entertainment is not only very workable but will go a long way to save this highly pedagogic aspect of African folk tradition from being completely and irretrievably lost By NGOLLE METUGE Terence Poet teacher of English Language and Head of Department of English at the Institut Polyvalent Prive de Bonamoussadi IPPB in Douala Cameroon **Recovering Jesus**

Thomas R. Yoder Neufeld, 2007-08-01 In *Recovering Jesus* Thomas R Yoder Neufeld leads you through an honest and careful study of the testimony of Jesus's first century followers as well as more recent scholarly and popular witnesses The result is a journey that will challenge you to move beyond the Jesus you think you know to a deeper understanding of who he was and why he matters This text will be a valuable tool in academic settings as well as for believers and nonbelievers alike who want to know the real Jesus

Traditional Narratives of the Arikara Indians Douglas R. Parks, 1991-01-01 Until the late eighteenth century the Arikaras were one of the largest and most influential Indian groups on the northern plains. For centuries they have lived along the Missouri River, first in present South Dakota, later in what is now North Dakota. Today they share the Fort Berthold Indian Reservation in North Dakota with the Mandans and Hidatsas. Although their postcontact history and aspects of their culture are well documented, Douglas R. Parks's monumental four-volume work *Traditional Narratives of the Arikara Indians* represents the first comprehensive attempt to describe and record their language and literary traditions. Volumes 1 and 2 present transcriptions of 156 oral narratives in Arikara and include literal interlinear English translations. Volumes 3 and 4 contain free English translations of those narratives, making available for the first time a broad representative group of Arikara oral traditions that will be invaluable not only to anthropologists and folklorists but to everyone interested in American Indian life and literature. The narratives cover the entire range of traditional stories found in the historical and literary tradition of the Arikara people, who classify their stories into two categories: true stories and tales. Here are myths of ancient times, legends of power bestowed, historical narratives, and narratives of mysterious incidents that affirm the existence today of supernatural power in the world, along with tales of the trickster Coyote and stories of the risqué Stuwí and various other animals. In addition, there are accounts of Arikara ritualism, prayers, and descriptions of how personal names are bestowed and how the Death Feast originated.

legends with five additional stories narrated solely or in part by Mary Capilano highlighting her previously overlooked contributions to the book Alongside photographs and biographical entries for E Pauline Johnson Joe Capilano and Mary Capilano editor Alix Shield provides a detailed publishing history of Legends since its first appearance in 1911 Interviews with literary scholar Rick Monture Mohawk and archaeologist Rudy Reimer Skwxw 7mesh further considers the legacy of Legends in both scholars home communities Compiled in consultation with the Mathias family the direct descendants of Joe and Mary Capilano and members of the Skwxw 7mesh Nation this edition reframes reconnects and reclaims the stewardship of these stories

The Art of Revision Peter Ho Davies, 2021-11-02 The fifteenth volume in the Art of series takes an expansive view of revision on the page and in life In *The Art of Revision The Last Word* Peter Ho Davies takes up an often discussed yet frequently misunderstood subject He begins by addressing the invisibility of revision even though it s an essential part of the writing process readers typically only see a final draft leaving the practice shrouded in mystery To combat this Davies pulls examples from his novels *The Welsh Girl* and *The Fortunes* as well as from the work of other writers including Flannery O Connor Carmen Machado and Raymond Carver shedding light on this slippery subject Davies also looks beyond literature to work that has been adapted or rewritten such as books made into films stories rewritten by another author and the practice of retconning in comics and film In an affecting frame story Davies recounts the story of a violent encounter in his youth which he then retells over the years culminating in a final telling at the funeral of his father In this way the book arrives at an exhilarating mode of thinking about revision that it is the writer who must change as well as the writing The result is a book that is as useful as it is moving one that asks writers to reflect upon themselves and their writing

Newspapers Peter Grundy, 1993-02-04 Presents practical ideas that show teachers how they can make effective use of English language newspapers in the classroom This work features activities that include ways of exploiting newspapers both for their language and their cultural content

Narrative Causalities Emma Kafalenos, 2006 *Narrative Causalities* offers both an argument and a methodology The argument is that interpretations of the consequences and causes of events are contextual and that narratives by determining the context in which events are perceived shape interpretations The methodology on which the argument is based is a theory of functions A function in this theory is a position in a causal sequence A set of functions provides a vocabulary to analyze and compare interpretations of the causes and consequences of events in our world in narratives about our world and in fictional narratives

Solving Bible Mysteries D. James Kennedy, 2000-08-13 Often a Bible passage s meaning is obvious But sometimes Scriptures seem incomprehensible even contradictory How do we as believers correctly interpret these puzzling passages The author of *What If Jesus Had Never Been Born* and *What If the Bible Had Never Been Written* takes an in depth look at passages of Scripture that are difficult to understand From an overview of the dichotomy of faith versus works to the meaning behind I John 3 9 Whoever has been born of God does not sin NKJV *Solving Bible Mysteries* offers powerful insight on some of Christianity s challenging questions

From the Edge Allison E. Fagan, 2016-07-14 Chicana o literature frequently depicts characters who exist in a vulnerable liminal space living on the border between Mexican and American identities and sometimes pushed to the edge by authorities who seek to restrict their freedom As this groundbreaking new study reveals the books themselves have occupied similarly precarious positions as Chicana o literature has struggled for economic viability and visibility on the margins of the American publishing industry while Chicana o writers have grappled with editorial practices that compromise their creative autonomy *From the Edge* reveals the tangled textual histories behind some of the most cherished works in the Chicana o literary canon tracing the negotiations between authors editors and publishers that determined how these books appeared in print Allison Fagan demonstrates how the texts surrounding the authors words from editorial prefaces to Spanish language glossaries from cover illustrations to reviewers blurbs have crucially shaped the reception of Chicana o literature To gain an even richer perspective on the politics of print she ultimately explores one more border space studying the marks and remarks that readers have left in the margins of these books *From the Edge* vividly demonstrates that to comprehend fully the roles that ethnicity language class and gender play within Chicana o literature we must understand the material conditions that governed the production publication and reception of these works By teaching us how to read the borders of the text it demonstrates how we might perceive and preserve the faint traces of those on the margins *The Holy Bible According to the Authorized Version (A.D. 1611)* Frederic Charles Cook, 1875 *Making Progress in English* Eve Bearne, 2006-09-07 This manual is designed to help teachers establish a principled framework for developing English at Key Stages 1 and 2 Covering all aspects of English it will help teachers raise standards of achievement in pupils at all levels of fluency and confidence The author uses case study material to relate theory to practice covering issues such as classroom organization and management She also provides guidance for planning and developing ideas with colleagues and with children and offers suggestions for teaching strategies with photocopiable sheets and formats and ways to evaluate teaching Separate sections deal with reading writing speaking and listening and these different threads are drawn together in sections on knowledge about language including spelling grammar and punctuation and study of texts including media poetry drama response to literature and the use of non fiction texts The final section deals with policy and schemes of work Each chapter also offers information on assessment recording and reporting linked to scales of progression frameworks for screening and supporting children who have difficulties with English gender working with parents linguistic and cultural diversity Eve Bearne teaches at Homerton College Cambridge
