

Prayer for Closing Ceremonies

Heavenly Father

Just as we began the day with you we end
with you

We thank you for making this ceremony a
successful one

Thank you for protecting and keeping us
away from unwanted situations

Thank you for helping us fulfill our goals
here today

We are leaving here now and we ask for
your grace

Grant us traveling mercies as we go back to
our homes

Continue to protect and keep us under your
strength

Be our guide through our lives and preserve
it unto such time that we meet here again

Amen

From the Inside Out Royden Loewen, 1999-10-12 Historian Royden Loewen has brought together selections from diaries kept by 21 Mennonites in Canada between 1863 and 1929 some translated from German for the first time By skillfully comparing and contrasting a wide cross section of lives Loewen shows how these diaries often turn the hidden contours of household and community inside out The writers featured were ordinary rural people young women and grandmothers rural preachers and landless householders They include a teenaged boy who immigrated from Russia to Manitoba in 1875 as well as a successful merchant a traveling evangelist and a devout conservative church elder An elderly grandfather recounted the daily circuit of his children s homes while 19 year old Marie Schoeder wrote of her literary aspirations her secret hope that some day she would write things that have a real worth things that are worth printing and things that other folks would love to read and pay for From the Inside Out also contrasts diaries from two distinct Mennonite communities in Canada The Swiss American Mennonites in Waterloo County Ontario faced rapid urbanization while the Dutch Russian Mennonites in southern Manitoba maintained their more rural environment The diaries mirror their writers preoccupations with work and weather but they also reveal a community s social structure and round of activities such as weddings funerals and worship services In the process of diary keeping the writers sought to make sense of a dynamic and often unpredictable world Reading what they chose to record is to learn much about their culture Their writings provide glimpses of their lives their collective mindset and their history as a people
