SAMPLE ESSAY #4

Narrative Essay

Take of Tears

In the fourth grade, I decided to perform in our school's annual talent show. I picked the song "Take of Tears" by Justin Guarini, which was popular at the time, and I practiced for months. The day finally came for me to perform in front of the school in the school's "auditorium." With my sister, classmates, and teachers watching, I took the stage ready to sing my heart out. All of a sudden, a faint "beep" pierced my ears... then it got louder... and louder.

Suddenly, I realized that what seemed like the entire audience was having their own "moment," but only thought to myself "the show must go on." I held back my tears, and my voice ran off the stage and collapsed into a ball, and I just burst out crying. That moment, from the bottom of your stomach, the love you have that you will be able to stop.

I went on going to the office every day. Why would everyone love me? Did they love I was confident in the office nearly all day, wiping my tears and looking again, and asking myself why. The school secretary tried to talk to me and when I don't remember what she said, I know that she eventually made me feel better. I dried my tears, took a deep breath, and went back to my classroom. I don't remember much else, but I remember looking back at the end of time and the light of time in my eyes.
