 Internationalization offers endless opportunities However it does require significant investments in terms of capital and
 management resources And activities overseas are certainly not without risk Foreign markets are not only unknown the
 institutional context for business is often quite different compared to the home country International business activities
 require patience and a long term perspective Managers should expect disappointments and hurdles along the way The
 present book discusses international business activities from the point of view of the manager It reveals potential pitfalls and
 provides an overview of what to take into account when considering business opportunities outside the home market
