Handling Serpents Jimmy Morrow, Ralph W. Hood (Jr.), 2005 Jimmy Morrow a pastor and serpent handler for over a quarter of a century explores the history of serpent handling from a variety of sources including his extensive familiarity with families whose roots are deep in Appalachia As a native Appalachian Jimmy has access to histories unavailable to outsiders While not formally trained as a historian Jimmy s own narrative of the Jesus Name tradition is a unique contribution to not only Appalachian studies but to the history of what many have prematurely thought to be a tradition whose obituary is soon to be written Jimmy s astounding photographs and his keen insight to the power of this tradition that he proudly upholds suggests that while unlikely ever to be a dominant form of religious expression it will continue as perhaps Americas most unique form of religion that persists in Appalachia despite laws against the practice of handling serpents This is an extraordinary personal account of a unique form of religious devotion and dedication It will be of interest to anyone interested in Appalachian culture or religion in the South

Paradise with Serpents Robert Carver, 2007 Robert Carver journalist and author of the acclaimed *Among the Mountains* searches for high adventure and intense experiences as he follows the trail of a family mystery Once upon a time when Buenos Aires was still a tiny village there existed an almost magical sub tropical paradise in the lost heart of South America Old Paraguay In 1537 a group of Europeans founded Asuncion on the banks of the Parana river where they were enthusiastically welcomed by the Gurani An extraordinary fusion of New World and Old was created a place where magnificent baroque cathedrals were built of carved stone in the heart of the jungle and solemn Catholic masses and high oratorios were sung and performed on European instruments by Gurani Indians and their Jesuit mentors But every paradise has its serpents and the history of Paraguay is

also studded with oppressive and even demented dictators Robert Carver's long term fascination with this intoxicating world was fuelled by childhood stories of his great uncle Charlie Carver who vanished into the Amazonian jungle of old north Paraguay in search of Inca silver He never returned but his smashed gold pocket watch was traded down river and returned to the family in England Today Paraguay is the only South American country which is truly bilingual in Spanish and Guaraní here everyone is a mestizo and proud of their dual heritage Pink freshwater dolphins play in the rivers of the Huan Chaco while in the forests soldier ants cut paths six feet wide and eat anything in their way they can devour a nylon tent in an hour Carver a fluent Spanish speaker travels into this forbidden lost world in search of his own golden city of outlandish experience The physically reckless journey takes him from mule trains high in frozen mountains to steamers up remote rivers in dense tropical jungle and he faces the threat of malaria dengue fever and the odd marauding outlaw
