Technical Manual United States. War Department, 1943 **Technical Manual** United States Department of the Army, 1971 **America Brushes Up** Kerry Segrave, 2010-02-10 This excursion into American cultural history looks at the toothpaste and toothbrush industries from 1900 to 2008 During these years America moved from cleaning their teeth mostly with homemade powders to using an enormous array of brands often applied with an electric toothbrush From early 20th century products like Forhan s which cured pyorrhea to the whiteners of the 1920s which unfortunately also removed tooth enamel and from paste that eliminated that clinging film and to copywriters who wondered where the yellow went the history of toothpaste has long been a testament to the power of misleading advertising Interrupting a steady flow of hyperbole was the one true wonder ingredient fluoride which enabled Crest to be for decades America s top selling brand **Human Rights Manual and Sourcebook for Africa** Keir Starmer, Theodora A. Christou, 2005 At a time when the issue of human rights in Africa is making many advances Human Rights Sourcebook and Manual for Africa introduces easy to use jurisprudence The first section covers key principles and human rights norms which are detailed in straightforward language The second section is devoted to the death penalty detailing the relevant provisions from both international and regional instruments and offering a comparative commentary as to how the principles and relevant rights relate to the death penalty The third section summarizes key case law from international regional and domestic African courts and tribunals The case summaries detail the facts and decisions and include a headnote of relevant concepts for quick reference The fourth section focuses on thirteen African countries yet the reports are a useful comparative resource for all countries From conducting the research and compiling the material for this final section it is apparent that nothing like this has been attempted before in Africa Much of the work emanates from primary research and investigation conducted by local research teams in the individual countries Investigative research includes visiting prisons physically counting the individuals on death row and interviewing the detainees to obtain their age and the length of time they had been on death row **Nutrition Support Practice Manual** , 2001-11 *Manuals Combined: U.S. Army Special Forces And Navy Operational Obstetrics & Gynecology With Physical Exam Techniques* , Over 4 000 total pages Just a SAMPLE of the Contents OBSTETRICS AND NEWBORN CARE I 185 pages OBSTETRICS AND NEWBORN CARE II 260 pages Operational Obstetrics Gynecology The Health Care of Women in Military Settings 2nd Edition Standard Version 259 pages Operational Obstetrics Gynecology The Health Care of Women in Military Settings 2nd Edition Field Version 146 pages MEDICAL EXAMINATIONS AND STANDARDS 353 pages PHYSICAL EXAMINATION TECHNIQUES 149 pages GYNECOLOGICAL EXAM presentation 81 pages GYNECOLOGICAL INFECTIONS AND ABNORMALITIES presentation 76 pages ASSESSMENT OF PREGNANCY AND ESTIMATING DATE OF DELIVERY presentation 23 pages REPRODUCTIVE AND DEVELOPMENTAL HAZARDS A GUIDE FOR OCCUPATIONAL HEALTH PROFESSIONALS 136 pages MEDICAL SURVEILLANCE PROCEDURES MANUAL AND
