**Salvation in Darkness** Nicole Edwards, 2020-02-11 Heaven refers to them as Misplaced Halos Humans don't even know they exist This faction of celestial warriors was sent here under the cover of darkness to protect humanity from Lucifer's demons In return for their servitude these warriors expect only one thing the love they were promised what angels refer to as an amoulot Never one to rely on luck or favor Eclipse isn't surprised when his first interaction with the female whose soul is destined for his results in death However he is caught off guard when the pretty blonde who was held at gunpoint by a two bit human turns out to be sassy and fearless and not at all bothered by the mess that was made in that alley Orianna McKay has spent the past six years scouring the US in search of her sister She has put her entire life on hold hoping to locate Amber and bring her home to their mother What she doesn't understand is how one failed lead after another continues to take her right back to Nowhere Colorado Then he appears The handsome warrior who takes a bullet in an effort to save her What she doesn't realize is that warrior is an angel and nothing in her world is as it seems Eclipse's mission is to protect Orianna from the demons who are out to lay claim to her soul Somewhere along the way that mission changes priorities are shifted and destinies are revealed By the time the dust settles Orianna and Eclipse will learn that salvation comes in many forms

**Chase** Nicole Edwards, 2023-06-27 Volume 1 What twenty four year old recent college graduate would sign up to uncover a secret kink club rumored to be hidden within the walls of a multi billion dollar conglomerate Me Why Well that's easy I've spent my entire life with my nose to the grindstone doing the right thing focusing on my future and now I'm bored which isn't a good thing when you have an insatiable curiosity I probably should've considered the type of bait needed for a fishing expedition of this magnitude when I applied for the job at Primal Instincts LLC looking to uncover the secret world that exists only on the whispers of those who've never so much as glimpsed the dark seductive inner workings because those who had wouldn't dare reveal anything Now that I'm through the door I've got my determination and single minded focus to keep me moving forward I will figure it out if for no other reason than to say I did Provided I don't get sidetracked by not one not two but three men who are ridiculously good at keeping secrets Volume 2 I am only one week into my new job at Primal Instincts LLC when I realize super sleuth is not something I will be adding to my resume anytime soon Although I'm still on my mission to uncover the truth about the secret kink club I suspect exists and is somehow tied to my employer I find myself with more pressing things to deal with than solving that mystery Between balancing the work assignment I've been given and the change in my current dating status the only time I have left is spent dealing with a dominating manipulative not to mention sexy man who has me in his crosshairs Unfortunately the aforementioned dominating man starts the dominoes falling when his manipulation puts me in a vulnerable position It's crazy what can happen in a week Volume 3 To say things have gotten complicated with the men in my life would be an understatement My mission to discover the secret kink club has been put on hold but not because I'm distracted by the three men plaguing my thoughts and dreams Not only because of them anyway

They are certainly responsible for keeping my attention away from my goals However my main concern is the man blackmailing me with a video I d prefer isn t seen by the public That man has given me an ultimatum and I have a decision to make an important one But for the moment Creed Hawk and Garrison are doing their best to keep my mind off my problem and they have a proposition for me One that will effectively shift my focus yet again Note from the author The Primal Instincts series was originally released in individual volumes Chase Capture and Claim are the combination of these volumes The stories are the same

However, he hadn't anticipated their wild nights of passion would result in more than either of them was prepared for. Sometimes it's just meant to be. Hearts flutter when this snarky good girl realizes this sexy bad boy is more than she bargained for. Can Milly and AJ figure out what it means to be good parents when neither of them has a clue what they're doing? Will they give in to the attraction they've been battling since day one? Or because of the consequences of their actions, will they simply have to settle for being the best parents they can be?

**Chaos** Nicole Edwards, Timberlyn Scott, 2014-10-28 This is the FINAL book in the Unhinged Trilogy, the conclusion to Sebastian and Payton's story. Secrets. The secrets are still there, plaguing me, disrupting my everyday life. Only now the unthinkable has happened. Lies. Payton insists that it is time that I deal with the lies that seem to make up my entire existence, the ones that have produced the chaos in my head. I don't know if she realizes it, but if it weren't for her being by my side, I don't know how I would survive. Greed. Everything is unfolding right before my eyes. The truth is being revealed, and there are people who don't want us to be together, but as I have vowed before, no one will keep her from me. Payton is my anchor in the waves that are crashing through my life, and I will do anything to keep her safe.
