Perdisco Manual Accounting Practice Set Solutions:

Wedding Bells Boutique Wendy Pabst, Brian Perrin, 2010 Wedding Bells Boutique is a manual accounting practice set. This practice set is designed to give students an understanding of the accounting process and how to prepare a range of typical accounting reports and transactions common to a small business. By completing this practice set, students will gain an understanding of the flow of data in an accounting system. Completion of the practice set for a one-month period should ensure a greater appreciation of the following: The steps in the accounting cycle for a small business; The use of special journals for processing data more efficiently; The use of subsidiary ledgers to remove details from the general ledger; The steps in posting journals to the general ledger and subsidiary ledgers; The perpetual inventory system; The bank account reconciliation; Balance day adjustments and the general ledger closing process; How the accounting cycle culminates in the preparation of financial statements; How the goods and services tax (GST) impacts on accounting. **FEATURES** Give students hands-on experience at manually keeping a set of accounting records for a small business for at least one accounting cycle; Give students an appreciation of the perpetual inventory system; Presents complete accounting cycle and requires students to prepare adjusting and closing entries, worksheets, and financial statements.
