Ellis, Both men had pretty much given up on finding their forever but fate was just waiting for the right time Charlie moves to small town Briarton with plans to live his quiet life as a writer He s resigned himself to being alone and isn t expecting anything different from his new home But a coffee mix up brings him face to face with a man Charlie had decided didn t really exist Nixon is grateful for a new job in a new town He s ready to leave the past in the past and settle down He s not actively looking for a relationship that s never worked out for him before but he can t deny the instant connection he has with his newest patient s nephew Is it too late for Charlie and Nix to find their happily ever after Or will they accept fate s gift and allow themselves a love they thought they d never find Perfect Timing is a steamy M M romance with an introverted demisexual writer and a big soft teddy bear of a nurse trying to navigate a love they ve always dreamed of but most definitely weren t expecting American Folk Songs Norman Cohen, 2008-09-30 This state by state collection of folksongs describes the history society culture and events characteristic of all fifty states Unlike all other state folksong collections this one does not focus on songs collected in the particular states but rather on songs concerning the life and times of the people of that state The topics range from the major historical events such as the Boston Tea Party the attack on Fort Sumter and the California Gold Rush to regionally important events such as disasters and murders labor problems occupational songs ethnic conflicts Some of the songs will be widely recognized such as Casey Jones Marching Through Georgia or Sweet Betsy from Pike Others less familiar have not been reprinted since their original publication but deserve to be studied because of what they tell about the people of these United States their loves labors and losses and their responses to events The collection is organized by regions starting with New England and ending with the states bordering the Pacific Ocean and by states within each region For each state there are from four to fifteen songs presented with an average of 10 songs per state For each song a full text is reprinted followed by discussion of the song in its historical context References to available recordings and other versions are given Folksongs such as those discussed here are an important tool for historians and cultural historians because they sample experiences of the past at a different level from that of contemporary newspaper accounts and academic histories These songs in a sense are history writ small Includes Away Down East The Old Granite State Connecticut The Virginian Maid s Lament Carry Me Back to Old Virginny I m Going Back to North Carolina Shut up in Cold Creek Mine Ain t God Good to Iowa Dakota Land Dear Prairie Home Cheyenne Boys I m off for California and others *Perfect Wyoming Complete Collection* Marie

McCarthy and Eisenhower Nelson Lucey and Proxmire they were all giants of state and national politics in the 1950s Yet the period also produced Walter J Kohler Jr a three term governor who in the words of the Milwaukee Journal was the most dominant force in Wisconsin politics of his era In this highly readable biography personalities and events of the 1950s are discussed as are some of the issues that still divide contemporary Democrats and Republicans in the twenty first century Walter Kohler was one of two men to gather 1 million votes for governor in Wisconsin through the end of the twentieth century He is credited with helping create the Eisenhower presidency both by his support in Wisconsin's critical presidential primary and by organizing the nation's Republican governors to endorse Ike in the run up to the 1952 GOP Convention He signed the largest income tax cut in percentage rate terms at any level of government between Coolidge and Kennedy He fought for a vast expansion of Wisconsin's highway system and in 1952 launched what became a national crusade for traffic safety He paved the way for coordination of Wisconsin's now unified university system took the battle for civil rights to Wisconsin's shipping hotel manufacturing and other industries and became the first governor in two decades to fulfill his constitutional duty to enact a reapportionment of the state legislature Fossedal also captures Kohler as political anti hero In an age when Americans long for self governance by our political and corporate officials Kohler's integrity as a man may be as arresting as his acts as governor *Mesmerized* John P.
