come to be seen as a guarantee of quality media making the fanboy auteur Figures like Joss Whedon are both one of us and one of them This is a strategy of marketing and branding it is a claim from the auteur himself or industry PR machines that the presence of an auteur who is also a fan means the product is worth consuming Such claims that fan credentials guarantee quality are often contested with fans and critics alike rejecting various auteur figures as the true leader of their respective franchises That split between assertions of fan and auteur status and acceptance or not of that status is key to unravelling the fan auteur In *A Portrait of the Auteur as Fanboy The Construction of Authorship in Transmedia Franchises* authors Anastasia Salter and Mel Stanfill examine this phenomenon through a series of case studies featuring fanboys The volume discusses both popular fanboys such as J J Abrams Kevin Smith and Joss Whedon as well as fangirls like J K Rowling E L James and Patty Jenkins and dissects how the fanboy fangirl auteur dichotomy is constructed and defended by popular media and fans in online spaces and how this discourse has played in maintaining the exclusionary status quo of geek culture This book is particularly timely given current discourse including such incidents as the controversy surrounding Joss Whedon's so called feminism the publication of *Harry Potter and the Cursed Child* and contestation over authorial voices in the DC cinematic universe as well as broader conversations about toxic masculinity and sexual harassment in Hollywood

Our Players' Gallery W. J. Thorold, Arthur Hornblow, Arthur Hornblow (Jr.), Perriton Maxwell, Stewart Beach, 1911 *The Case Against the Sexual Revolution* Louise Perry, 2022-05-16 Ditching the stuffy hang ups and benighted sexual traditionalism of the past is an unambiguously positive thing The sexual revolution has liberated us to enjoy a heady mixture of erotic freedom and personal autonomy Right Wrong argues Louise Perry in her provocative new book Although it would be neither possible nor desirable to turn the clock back to a world of pre 60s sexual mores she argues that the amoral libertinism and callous disenchantment of liberal feminism and our contemporary hypersexualised culture represent more loss than gain The main winners from a world of rough sex hook up culture and ubiquitous porn where anything goes and only consent matters are a tiny minority of high status men not the women forced to accommodate the excesses of male lust While dispensing sage advice to the generations paying the price for these excesses she makes a

passionate case for a new sexual culture built around dignity virtue and restraint This counter cultural polemic from one of the most exciting young voices in contemporary feminism should be read by all men and women uneasy about the mindless orthodoxies of our ultra liberal era Also available as an audiobook narrated by the author *A Dangerous Magic* Denise Little,1999 This anthology goes straight to the hearts of fantasy and romance fans alike with magic crossed lovers and unearthly powers colliding with truly unpredictable results Included are tales that run the gamut from a seemingly hopeless romance between a mortal and a vampire to a modern retelling of a Gaelic myth about a man who falls in love with a woman who is ugly but brilliant and good tempered in the day but beautiful and black hearted at night to an intricate tale of ghost crossed love A perfect collection just in time for Valentine s Day **Sexual Deviance in Health and Aging** Lacey J.
