Personal Essay About Yourself:

Write Yourself In Eric Tipler, 2024-06-11 Write authentic memorable college essays that will help you get into the right school for you with this guidebook from a veteran college admissions expert Every spring over one million high school juniors embark on an annual rite of passage applying to college And with college admission rates at an all time low getting into a competitive school is now tougher than ever At the top schools a strong transcript and great test scores will get your application noticed but it s your essays and the personal story that they highlight that will get you admitted But often students don t know where to start Teens fret over topics because they don t know what college admissions officers are looking for They bend over backwards to write what they think colleges want to read instead of telling their authentic story which is what admissions officers actually want in a way that will resonate with their readers They also struggle because college essays which are narrative first person and introspective require a different set of skills from academic expository writing they ve been learning for years in the classroom Seasoned college admissions expert and educator Eric Tipler has seen this firsthand Teens and their parents spend countless anxiety filled hours crafting and refining essays that are often lackluster In *Write Yourself In* Tipler meets students where they are and provides comprehensive actionable advice in a warm and conversational tone He demonstrates how to craft a winning essay one that is authentic vulnerable and demonstrative of qualities like personal growth and emotional maturity Instead of formulas *Write Yourself In* gives students step by step processes for brainstorming outlining writing and revising essays It encourages them to seek out feedback at key points in the process something Tipler has found to be vital to helping students produce their best writing Further the book includes sidebars that teach essential components of good storytelling a secret weapon in the admissions process In addition to the admissions essay *Write Yourself In* also covers the most common supplemental essays on topics like community diversity openness to others viewpoints and why their school is a good fit for the student scholarship essays as well as scholarship essays Tipler includes sections that address current topics like the widespread use of ChatGPT and the discussion of race in the admissions essay a facet of the student s application that will have newfound importance given the Supreme Court decision on affirmative action Written with both the parent and teen in mind *Write Yourself In* is the go to handbook for writing a great college essay

The Essays Only You Can Write Irene Papoulis, 2023-10-17 *The Essays Only You Can Write* offers a perspective on essay writing that spotlights a writer s uniqueness Resisting the perception that personal and academic writing are at odds with one another it treats the impulse to write personally as potential fuel for a variety of writing purposes The book encourages students to think like academics pursuing their enthusiasms trusting their ideas and questioning their conclusions by leading them through three main writing assignments a personal essay an essay based on texts and a research essay Each chapter offers exercises and strategies for various stages in the pre writing drafting and revision processes Freewriting extensive attention to planning devising a structure and order of ideas that both

promote and reflect engagement with a topic developing rhetorical awareness and knowledge of conventions and an advocacy for expressive socially responsible writing all are central elements of the text's instruction. By acknowledging the emotions inherent in the writing process many of which can muddle thinking I don't want anyone to see this what if I make mistakes what if the writing isn't good I don't want to be critiqued etc Papoulis helps beginning college writers to navigate the psychological as well as the technical roadblocks that can get in the way of their best personal and academic writing.
