Books in Print Supplement ,2002 **Getting Connected, Staying Connected** John Defrain, 2012 Couples and families have it in their power to be happy with each other and create a pleasant and peaceful home environment in which they live together Our aim in writing about getting connected and staying connected is to accentuate the positive to show clearly and simply how happy couple and family relationships are created and maintained over time We will be continuously demonstrating what works well in creating strong enduring relationships The focus will be on six key couple and family strengths 1 appreciation and affection for each other 2 commitment to the family 3 positive communication 4 enjoyable time together 5 a sense of spiritual well being and shared values and 6 the ability to manage stress and crisis

effectively Business and Non-profit Organizations Facing Increased Competition and Growing Customers' Demands Adam Nalepka, Anna Ujwary-Gil, 2018 We are pleased to introduce our 17th and latest volume from our regular conference Business and Non profit Organizations Facing Increased Competitions and Growing Customers Demands which contains articles highlighting the problems of contemporary for profit and non profit organizations The added value is the inclusion of multifaceted aspects of an organization s functioning including the sectoral and industrial view The diversity of the approach to the problems of organization management business and economy becomes a valuable interdisciplinary view of the economic reality that surrounds us The monograph is divided into four sections In the first section Business and non profit organizations as the objects of research articles are exposing the area of strategic management including a museum as a research object surgical workflow the performance of cultural organizations and organizational forms of housing resource management In addition this section covers a process oriented view of management including process maturity of the organization and process approach to the analysis of creative capital and mixed project management methodology In a separate thread there are articles related to public university mergers based on an example of two academic case studies the analysis of scientific excellence as a factor influencing academic involvement and the nature of competition for non profit and for profit organizations The second section entitled Modern tools for business and non profit organization management opens with an article on design thinking and the TransistorsHead tool used to analyze teams through organizational terms Other tools used in eye tracking such as enova365 and Soneta are presented in an article on the optimization of an IT system In the context of profiling scientific research not only in the area of academic entrepreneurship but also in the search for research gaps bibliometrics is undoubtedly a useful tool discussed in a further article In another article an attractive tool for competence analysis is the business model and the construction of the competence assessment method which could prove to be helpful in assessing the effectiveness of professional careers Other articles in this section feature the concept of innovation and knowledge management medical data management based on a precise legal basis external financing and its impact on the flexibility of enterprises and a systemic process and resource approach to port modularity In the next section Business and non profit organizations in a market economy the primary thematic topic is corporate social responsibility client capital creation and social entrepreneurship We note the greater emphasis on the social aspects of the organization s functioning and on the social economy The human thread and the so called ecosystem in business are becoming more and more desirable and the perspective of business is changing from a profit oriented one towards a more societal one In the last section entitled Business and non profit organizations sectoral and industrial aspects there are articles discussing the issues of organization in macroeconomic terms This section opens with an article presenting the structural characteristics of industrial clusters and research streams in this area Subsequently we have articles that present the municipality from the point of view of the configuration of the network of relations between stakeholders and their involvement in the creation of

smart specialization strategies the determinants of employment change in the Polish services sector consumer awareness of the credit market the transparency of public finances local food and regional products consumer behaviour in Ukraine as well as trade credit profitability and leverage in Polish companies Every year this monograph is built on articles that present an up to date view of the business and geo economic reality that surrounds us whose organizations form the backbone of the economy and its sectors The dynamics of changes are so significant that such studies bring readers closer to current trends and draw the interest of researchers

Marriages and Families David H. L. Olson, John D. DeFraim, 2002-08 This introduction to marriages and families accentuates the positive aspects of relationships and focuses on enriching students knowledge and experience in building strong successful couple and family relationships The authors both seasoned family scholars and therapists integrate research theory and practical application with an interdisciplinary perspective on marriage and family *Forthcoming Books* Rose Arny, 2002

The Journal of Home Economics, 1990

Financial Capability and Asset Building with Diverse Populations Julie Birkenmaier, Margaret Sherraden, Jodi Jacobson Frey, Christine Callahan, Anna Maria Santiago, 2018-12-07 Global economic recovery in the aftermath of the Great Recession has not been experienced equally while the share of wealth owned by the richest 3% has grown the share owned by the poorest 90% continues to decline as reported by Oxfam in 2016 This wealth divide disproportionately affects racial and ethnic minority communities This book underscores the importance of financial capability and asset building FCAB practice policy and research during a period when vulnerable populations face increasingly difficult economic and financial realities At the same time retrenchment and privatization of government sponsored social services have eroded the safety net available for families experiencing poverty or near poverty conditions The proliferation of products and services available from both formal and informal financial institutions highlights the need to promote FCAB to avoid and or recover from financial difficulties crises and poverty The contributors to this volume disseminate findings from interventions designed to increase financial knowledge financial management and financial access across several vulnerable populations including immigrant communities Further they demonstrate the need for culturally sensitive FCAB service delivery considering opportunities and barriers posed by past and current life situations experiences and environments experienced by different populations The book is aimed at policymakers researchers and practitioners who assist financially vulnerable people This book was originally published as a special issue of the Journal of Community Practice
