

Physical Science Module 2 Review Paper

Figure 10. The original image.

It is therefore the author's view that full implementation by India is paramount to the sustenance of the rule of law.

**Figure 1.** A schematic diagram of the experimental setup. The laser beam (labeled 1) passes through a lens (labeled 2) and is focused onto the sample surface (labeled 3). The sample is held in a vacuum chamber (labeled 4). The scattered light (labeled 5) is collected by a lens (labeled 6) and focused onto a photomultiplier tube (labeled 7).

**ANSWER** *Both the first and second statements are true. The first statement is true because the mean is a measure of central tendency. The second statement is also true because the mean is a measure of central tendency.*

**ANSWER** The right answer is **none of the above**.

More than greater students often have difficulty with new concepts because they have difficulty with presented concepts.

Question	Response
What appear to be the main strengths in your organization?	Business need your members strong. Although members do not necessarily have to be members.
What are your greatest challenges?	Identifying the challenges in the development of the association.
What are your greatest opportunities for growth and development?	It will be important to have members that understand their members' needs and wants. This association will continue to identify and develop programs that serve the community.
What areas did you feel most successful in during this year?	This year we kept our focus on membership development and finding new ways to engage our members.
Can you tell us about anything else you think the Association should consider?	The members are most important. The highest priority is engagement.
