Adopt the Jesus Mindset Vol. 1 M.R. Roberson ThD EdS, 2023-02-13 Scripture portrays Jesus as both perfect and exceptional in character Born into humble beginnings he showed the power of words and their ability to speak things which aren't as though they already existed His mission was to transform the world with words He demonstrated his perfection in framing words throughout his earthly ministry and he is the prime example of how to live a victorious life and invoke mastery over Satan by confession of faith In *Adopt the Jesus Mindset* author M R Roberson explores the key principles that Christians must embrace to espouse the same attitude as Jesus Through a host of scriptural examples he encourages followers of Christ to strive for mastery and excellence in pronouncing only what the father has spoken in their regard thereby demonstrating Bible faith *Adopt the Jesus Mindset* offers a motivational self help guide to victorious living inspiring believers to embrace the mindset of Jesus in becoming imitators of God

Stay Alert and Take Notes Jesse Crimm, 2013-08 Teaching Christian values and concepts to small groups is a weighty and worthy challenge The purpose of this book is to make your yoke easily bearable As Barnabus was to Paul this book can be your encourager your intercessor and your foundation for inspired teaching and learning Within you will find specific guidance on conducting Christian development classes and thirty three lessons proven in real life to be ones where the students do indeed stay alert and take notes Also included are lists of subject appropriate hymns for classes that sing A catalog of additional source readings is offered for your continuing enrichment and growth as a teacher or student Your presentation of a lesson begins with your willingness to prepare and that simple willingness is our beginning point No more is needed Acts 16:10 For any number of possible reasons someone asked you to teach Sunday school this week Acts 15:3 That someone trusted you enough to propose the question Truly if you think about it your reputation preceded the asking of that question And for any number of possible reasons you said yes Most likely you were predisposed to say yes Maybe you said yes just to help out because no one else would say yes Maybe you have wanted to teach but were always too modest to broach the thought publically If any of these reasons are true you have a great adventure in front of you Enjoy learn teach and catch the flame
