Just Faith Guthrie Graves-Fitzsimmons, 2020-09-15 According to new research from the Public Religion Research Institute there are over 35 million consistently progressive Christians in the United States Majorities of American Christians support reproductive justice and LGBTQ rights Yet they re erased from our public narrative only mentioned as outliers to the fundamentalist norm In *Just Faith* progressive Christian activist and writer Guthrie Graves Fitzsimmons explains how a strong religious left has accompanied every major progressive advance in our society and he resurrects the long but forgotten history of progressive Christianity in the United States that can and must link arms with progressive Muslims and Jews to make the moral case for pluralism human dignity and the common good Graves Fitzsimmons provides a blueprint for this type of resurrection based on his advocacy work at the intersection of religion and American politics Graves Fitzsimmons creates a rallying cry for a bold progressive Christianity that unapologetically fights for its values to impact the biggest political battles of our time from immigration and economic fairness to LGBTQ rights and abortion rights so that progressive Christians will stop lowering their voices when they identify as Christians What kind of Christian are you they ll be asked And they ll even be understood when they reply with a smile The good kind *Baptizing America* Brian Kaylor ,Beau Underwood, 2024-06-04 In the face of a rising threat to both church and democracy *Baptizing America* provides an urgent examination and an enlightening critique exposing the dangerous undercurrents of Christian Nationalism How can Mainline Protestants spot such practices in their own activities A crucial call to reckon with influences before it s too late Christian Nationalism presents an existential threat to both Christ s church and American democracy Now is the time before it is too late to reckon with all the places its pernicious influence arises On full display in recent elections Christian Nationalism also exists in sanctuaries where an American flag has been displayed for decades when we pledge allegiance to one nation Under God or when the U S is called a Christian nation *Baptizing America* critiques the concept of civil religion arguing that such expressions are far more dangerous than we realize Mainline Protestant congregations will likely recognize

themselves in the overlooked expressions of Christian Nationalism that pop up in the activities of both church and state

RetroChristianity Michael J. Svigel, 2012-04-30 Evangelicalism is in trouble Surveying the modern evangelical landscape professor Michael Svigel asks Why does evangelicalism appear to be spinning out of control losing appeal to younger generations dwindling in numbers or selling out to pop culture to muster a crowd He seeks to answer this question by looking to the past to a Retro Christianity Calling for a return to evangelicalism s historical and theological roots Svigel begins by addressing some of present day evangelicalism s problems and explores what can be done to help churches regain a healthy perspective on doctrine He then gives practical examples of what establishing a biblical historical and theologically sound foundation will mean for Christians as they think through aspects of church life and worship As the numbers of those confused or disenchanted with evangelicalism continue to grow Svigel s book meets a timely need and will benefit many readers with his balanced argument for preserving the evangelical faith **Authentic Christianity and the Dangers of**

Christian Nationalism Daniel Payne, 2024-07-13 The book explores the concept that true Christianity and Christian Nationalist movements are fundamentally at odds with each other It delves into the idea that the values and principles of authentic Christianity such as love compassion and inclusivity are in direct conflict with the exclusionary and divisive nature of Christian Nationalism The author examines how the rise of Christian Nationalism has distorted the teachings of Jesus and has been used to justify discrimination prejudice and violence The book also discusses the impact of Christian Nationalism on politics society and the religious landscape and offers insights into how individuals and communities can work towards promoting a more genuine expression of Christian faith It explores how the values and teachings of Christianity such as love compassion and inclusion are at odds with the exclusionary and divisive nature of Christian Nationalism The essays in this collection analyze the ways in which Christian Nationalism distorts the message of Christianity and promotes harmful ideologies that go against the core principles of the faith Through thoughtful analysis and compelling arguments the book aims to challenge and debunk the notion that Christian Nationalism is a natural extension of authentic Christianity

Reclaiming Our Forgotten Heritage Curt Landry, 2019-01-15 A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God s kingdom There is no better time than now to learn about and become firmly grounded within your spiritual heritage from the foreword by Perry Stone The early church was made up of Jewish and Gentile followers of Jesus and the church s culture was rooted in Judaism and a Jewish understanding of God s relationship to His people Over time however Christianity became increasingly more Roman than Jewish and the church lost its identity Rabbi Curt Landry s personal story is remarkably similar Born to a Jewish mother and a Catholic father Landry was put up for adoption and for more than thirty years he had no understanding of his heritage his roots or who his parents were But when he discovered the truth of his story his life changed completely The key to a life of power and purpose is understanding who you are In this revelatory book Curt Landry helps Christians discover their roots in Judaism empowering them to walk in

the revelation of who they really are and who they are born to be Reclaiming Our Forgotten Heritage reveals the mysteries of the church letting Christians grasp the power that comes from connecting with their true identity Hearers and Doers Kevin J. Vanhoozer,2019-05-15 The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it s often overlooked by modern pastors In Hearers and Doers Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples **At the Crossroads** Masiwa Ragies Gunda,2018-10-15
