Easy to use maps, reliable advice on how to get around and insider reviews of the best hotels, restaurants, bars, clubs and shops for all budgets ensure that you won't miss a thing. Make the most of your time on Earth with *The Rough Guide to Brazil* now available in PDF. *Frommer's Comprehensive Travel Guide* Michael Uhl, 1993 [Viva Travel Guides Galapagos](#) Paula Newton, 2011 Viva members around the world contribute to the travel guides' creation and updating. They provide information concerning hotels, restaurants, tours, shopping and activities. [Contracultura](#) Christopher Dunn, 2016-11-14 Christopher Dunn's history of authoritarian Brazil exposes the inventive cultural production and intense social transformations that emerged during the rule of an iron-fisted military regime during the sixties and seventies. The Brazilian *contracultura* was a complex and multifaceted phenomenon that developed alongside the ascent of hardline forces within the regime in the late 1960s. Focusing on urban middle class Brazilians often inspired by the international counterculture that flourished in the United States and parts of western Europe, Dunn shows how new understandings of race, gender, sexuality and citizenship erupted under even the most oppressive political conditions. Dunn reveals previously ignored connections between the counterculture and Brazilian music, literature, film, visual arts and alternative journalism. In chronicling and debunking the Brazilian

hippie movement he shows how the state of Bahia renowned for its Afro Brazilian culture emerged as a countercultural mecca for youth in search of spiritual alternatives As this critical and expansive book demonstrates many of the country s social and justice movements have their origins in the countercultural attitudes practices and sensibilities that flourished during the military dictatorship
