

Research Paper **Abstract** Example **APA**

Background

Social media have been indispensable communication channels for sharing and consuming news. The evolution of social media platforms has boosted digital journalism practice globally.

Objective

This study intends to examine factors influencing social media engagement to practice citizen journalism by adopting a prominent technology adoption model unified theory of acceptance and use of technology (UTAUT).

Methods

The researchers designed online survey questionnaires and distributed them among university students through Google Forms to collect data, where 301 valid samples were collected. The structural equation modelling (SEM- PLS) approach was utilized to ascertain the presented model based on the empirical data found from respondents.

Findings

The findings show performance expectancy, effort expectancy, and social influence significantly affect social media users' practice of citizen journalism. The results indicate that social media engagement significantly influenced citizen journalism practice.

Significance

This study is of great significance to scholars and practitioners, especially digital journalists, and content creator emphasized limitations and suggestions for future research.

Providing Writing Feedback in Online Teaching and Learning: The PAUSE Framework Robinson, Jennifer L., 2024-01-30 In the world of online education where subject matter experts

SMEs possess their expertise with authority yet often find themselves navigating the intricate landscape of teaching writing in a virtual environment without a compass. The challenge is clear: many SMEs lack a foundational understanding of the pedagogy and andragogy crucial for delivering effective feedback in online courses. In the fast-paced realm of compressed online courses, the need for actionable feedback that propels the teaching and learning cycle forward is paramount. Providing Writing Feedback in Online Teaching and Learning: The PAUSE Framework emerges as the guiding light, offering a transformative framework that bridges the gap between subject matter expertise and effective teaching of writing in online environments. With a seamless integration of the PAUSE principles—Praise for positivity, Applicable for immediate action, Understandable for clarity, Specific for targeted improvement, and Encouraging for motivation—this book goes beyond the theoretical. It equips academic scholars with tangible examples demonstrating how the PAUSE framework has been successfully implemented to enhance feedback in online education. Empower yourself with the tools to revolutionize your approach, redefine your impact, and create a digital classroom where subject matter expertise meets effective pedagogy. Providing Writing Feedback in Online Teaching and Learning: The PAUSE Framework is your key to fostering a generation of online learners who persist, thrive, and excel.
