Hollenbeck,2014-09-15 The management of organizational behavior is a critically important source of competitive advantage in today s organizations Every organization s members share a constellation of skills abilities and motivations that differentiates it from every other firm To gain advantage managers must be able to capitalize on these individual differences as jobs are designed teams are formed work is structured and change is facilitated This textbook now in its second edition provides its readers with the knowledge required to succeed as managers under these circumstances In this book John Wagner and John Hollenbeck make the key connection between theory and practice to help students excel as managers charged with the task of securing competitive advantage They present students with a variety of helpful learning tools including Coverage of the full spectrum of organizational behavior topics Managerial models that are based in many instances on hundreds of research studies and decades of management practice Introductory mini cases and current examples throughout the the text to help students contextualize organizational behavior theory and understand its application in today s business world The ideal book for undergraduate and graduate students of organizational behavior

Organizational Behavior Securing Competitive Advantage is written to motivate exceptional student performance and contribute to their lasting managerial success

Psychological Stress in the Workplace (Psychology Revivals) Terry A. Beehr,2014-06-17 Originally published in 1995 this book was the most up to date and comprehensive account of research on occupational stress at the time It identifies the sources consequences and treatments of stress in the workplace from the perspective of organizational psychology and makes clear recommendations for future work in this area Terry Beehr discusses how role ambiguity and conflict act as stressors in the workplace and discusses the characteristics of the job and the organization itself that can adversely affect performance He examines the effects of stress in the workplace and describes methods that can be used to alleviate the problem both at the individual and organizational level In addition the book is illustrated with many examples from field research over the author s twenty years of experience in studying the workplace This book will be of considerable interest to students and researchers in occupational psychology as well as managers and trainers Terry Beehr is still working in this field today

Internal Communication in Bangladeshi Ready-Made Garment Factories Helene Blumer,2015-12-07 By drawing up a model of the internal communication system of Bangladeshi ready made garment factories Helene Blumer identifies the existence and intensity of its communication flows

She furthermore discloses a connection from this communication system to labor unrest The absence of a functioning formal channel within the factory the lack of effective labor representation and the rare physical presence of the factory owners confirm the existence of a communication barrier As symptom of a flawed communication system this barrier confirms a connection to labor unrest and the management s unawareness of its emergence which would thwart any modes to predict and prevent work disruptions

The Dysfunctional Library Jo Henry,Joe Eshleman,Dr. Richard Moniz,2018-12-18 Frankly it s not something we like to talk about There is an unfortunate stigma to acknowledging workplace dysfunction let alone trying to grapple with the problem But negative behaviors such as incivility toxicity deviant behavior workplace politics and team

and leadership dysfunction not only make the library a stressful workplace they also run counter to the core values of librarianship An important tool for library leaders and managers as well as library staff this book examines these negative relationship based issues and suggests practical research based solutions by discussing the importance of understanding oneself as related to the library workplace identifying attributes specific to libraries that foster personal success showing how organizational dysfunction is rooted in problems such as poor communication inadequate leadership and lack of employee engagement breaking down relatable scenarios to analyze what s behind them and how to defuse them ranging from a gossipy coworker who fails to contribute to the organization to workplace bullying and mobbing exploring causes results and potential solutions in the areas of cyberloafing fraud theft and sabotage delving into the importance of conflict management surveying a variety of approaches and applications examining the use of teams in libraries and the impact of favoritism nepotism and sexism and providing techniques for successful collaboration leadership organizational communication and other key management topics By tackling the dysfunctional library head on managers as well as library workers who find themselves in a toxic situation will be poised to better meet library goals and move the library forward

Cash Drops and Keystrokes Ronald S. King, 2018-03-21 America s moral crisis is exponentially exploding while the government is legitimizing and promoting the gambling enterprise Gambling addiction has no limits and is found in all segments of society According to some estimates as much as one third of the nation s economy passes through the gambling enterprise each year However this is only the tip of the iceberg For several decades casinos and gambling ships have catered to the elderly Currently we are beginning to see the monster under the iceberg gambling on the Internet while fantasy sports have been developing into daily fantasy sports The nation s youth can be swallowed up by gambling with one click and a credit card The purpose of this study is to develop a topical review of problem gambling in America Various dimensions of problem gambling from the source of the addiction to potential recovery are covered Recovery methods are identified Basic research methods for gambling research are overviewed and studied Distinction is made between the procedures employed in executing a research project and the methods employed in gathering the data necessary to the project A biblical foundation is emphasized throughout the text
